NON-PROFIT 501(C)(3) STATUS

We mentioned in January our vision for the League of Goddesses to become a non-for-profit. It is in this capacity that we can bring more assistance to entrepreneurial women around the world.

We have met with legal council and are moving forward to bringing this dream into reality by the end of 2021. The future of the League of Goddesses is shining bright, ladies!

The cost of preparing and submitting documents to the IRS to become a 501(c)(3) organization is approximately \$10,000. We are graciously accepting donations to cover this expense. We appreciate your support in expanding the League of Goddesses and our worldwide impact.

A SPECIAL RETREAT TO BENEFIT THE LEAGUE OF GODDESSES

More details about this incredible event on page 5!

In Case You Missed It:**FEBRUARY WRAP UP****T.E.A. TIME LEADERSHIP COUNCIL - ZOOM**

An hour of questions and answers from the badass women of the LOG Leadership Council took place on Saturday, February 13. The insight that came through the discussions with Mimi Dew, Mindi Kniss, and Elisha Covey are **powerful** and **implementable!**

They discussed high standards, being in search of excellence, and knowing when it is time to place your product/service out into the world. Mediocrity is not acceptable but perfectionism can hinder necessary movement.

It is key to understand the difference between excellence and perfectionism. As an entrepreneurial woman, the sooner you understand the power of excellence and the hindrance of perfectionism, the sooner you and your business will thrive.

No question was left unanswered from operating in areas of your strengths and gifts to teaching that which was once your weakness.

Did you miss the Leadership Council Zoom event? The recording is waiting for you to hear all the entrepreneurial wisdom of these successful women. Click the link below!

MENTORSHIP ANNOUNCEMENT

We were thrilled to also announce our very first Mentor of the LOG Mentorship Program, [Liane Saunders](#) and Mentee Madi May. Please check out our writeup of Liane on page 4 called *Our Goddess Mentor - March 2021*.

Did you know? In February 2021, LOG grew to 112 members!

GODDESS SPOTLIGHT

We posted four new Goddess Spotlight videos in February. Our membership is growing with amazing entrepreneurial ladies from all over the world. Each of these women is bringing her talents and vision to the world. While preparing dinner or putting your makeup on in the morning, take a few minutes to listen to the following Goddesses tell their personal stories. You do not want to miss getting to know them and the businesses they are creating.

Every Friday, we release a Spotlight Interview. Elisha interviews one Goddess with a series of standard questions, and you get a glimpse into the mind and soul of the women of the League.

LIANE SAUNDERS

OUR GODDESS MENTOR - MARCH 2021

Liane Saunders says it best: she is a “one-of-a-kind ray of dominating sunshine.” We agree!

If you missed the live Zoom call on February 13th, we beg you to listen to this conversation between Elisha and Liane. It will empower your week with an unstoppable state of mind.

Liane is the owner and CEO of Integrated Communications, with annual revenue of around \$3M. She began her career in hospitality management. She married into the entrepreneurial life, and she has not looked back since.

She contributes her success to being organized and structured. Her superpower is her focus on business relationships and customer loyalty with a dash of pizzazz. It has allowed her to scale her network and business. She has a deep desire to share her knowledge with other women to help them grow personally and professionally. It is one of many reasons we chose her as our March Mentor. We can't wait to share with you her chosen mentee. Be on the lookout for March's mentee announcement.

Elisha's FAVORITE THINGS

VULNERABILITY IS SEXY GAME

The name threw us off, too! This is an elegant card set that asks thought provoking questions of you and your loved ones. Dig deep, Goddesses! The questions will bring clarity to your dreams, desires, and wishes. It creates a space of authenticity as you share your answers and hear the words of your spouse, girlfriends, or family.

Congratulations to February's winner: Stephanie Gattas. Here is what she had to say about the Vulnerability is Sexy game:

"The Vulnerability Is Sexy game was a refreshing way to initiate a conversation and address the elephant in the room: vulnerability. I used the game amongst a support group and found how engaging it was with ease of conversation. I recommend this game for a variety of group settings especially where there are coaching opportunities. You will be very surprised to learn the beauty that lies in your vulnerability."

The Science of Getting Rich

By Wallace Wattles

ABUNDANT ALIGNMENT: OUR FINANCIAL MINDSET

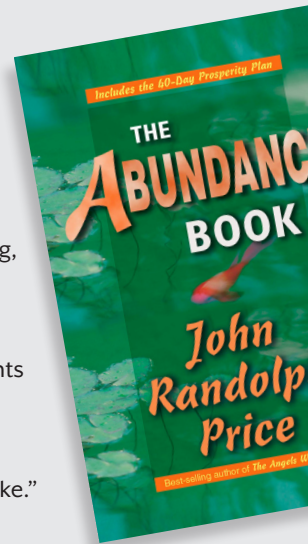

Ladies, here are my takeaways from *The Abundance Book* by John Randolph Price and *The Science of Getting Rich* by Wallace Wattles. Truly, financial wealth is all about **your** consciousness. The only requirement for you to change your world is to **expand** your consciousness and **live in love**.

Favorite Quote:

"The universe does not compensate individuals based on the activity of work, but on the activity of consciousness."
- Randolph Price

3 Steps to Financial Wealth:

1. "Die to your old ways of thinking (expand your consciousness - EC). Rising in place will be the truth of **you**... a strong, vibrant, useful, significant, valuable, worthwhile, meaningful, loving, and fulfilled individual."
- Randolph Price
2. "Guard your thoughts as your thoughts manifest your reality." - Elisha Covey
3. There is no limit to riches, therefore: "Give to every person more than you take."
- Wallace Wattles
