

LEAGUE OF
GODDESSES

Welcome

We are excited to have you be a part of the Mentorship Program for the 2nd Quarter of 2021, for the month of May.

Your participation continues to make a difference in the League of Goddesses. We want to acknowledge how your contribution is of profound value within this community.

As we began to formulate the program, we thought of you and your many achievements as an entrepreneurial woman. We knew you would contribute authentically to the volunteer role in the LOG Mentorship Program and a Mentee's career.

On April 10, 2021, we will introduce you at the TEA Time Live event. This is your opportunity to communicate a bit about yourself and what a Mentee can expect in working with you.

We will accept applications for the Mentorship Program, and you will be able to choose your Mentee that you will work with for 4-weeks.

We believe that the Mentorship Program will be an impactful journey for the Mentor and the Mentee. It truly has the potential to enhance both of the women's lives professionally and personally. We know you will thrive as a LOG Mentor.

Please find the definition, expectations, commitment, benefits, and gratitude for the Mentor role below:
