Elisha's
FAVORITE THINGS

HAIR EXTRAORDINAIRE! DRYBAR DETOX DRY SHAMPOO AND PREP RALLY DETANGLER

Elisha chose two favorite hair products from Drybar for May's Favorite Things giveaway. She was not alone in her praises; the comment section reinforced her love for these products. Who doesn't want Hair Extraordinaire?

Drybar Detox Dry Shampoo is the answer to more time in-between hair washing days. It has a super-absorbent formula that eliminates oils and impurities, leaving hair looking and feeling clean and refreshed with extra volume and a matte finish. We love the Golden Root Extract that increases moisture to prevent dryness and breakage, and the scent with hints of jasmine, sandalwood, and Madagascar vanilla will keep you coming back bottle after bottle.

Drybar Prep Rally Detangler is formulated to protect hair against dryness, increase strength/elasticity deep into the hair's fiber to prevent breakage, and assist prep hair for optimal performance of styling products. We adore the fragrance with notes of ginger, mint and sandalwood.

May's winner was Emily Wieseler from Groton, South Dakota. Here is what she had to say about Drybar Detox Dry Shampoo and Prep Rally Detangler:

"Voloratur, quatustia seque etur arum re re cullaut velit mos acilibuscium restem ditatiasit alis es que am, occaepudist, optatqui acerem. Tio incitaquam idem eliquos as debis velisqui anto quiatqui cus eniscil illoriatu!"

APRIL LOG T.E.A. TIME Q&A VIA ZOOM

We were honored once again by our April Keynote Speakers to ask additional questions about our entrepreneurial businesses and our well-being. Dr. Matt Chalmers, Charles Covey, and Ryan Kaminski generously offered their time to discuss topics that the members encountered as they implemented their quarterly goals.

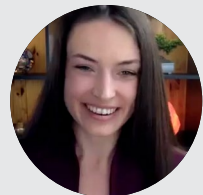

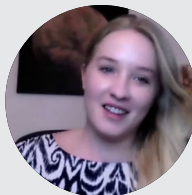

Our Zoom Q&A gathering was filled with their expertise as each topic was addressed with guidance, viewpoints based on experience, and support in areas that were current pain points.

If you missed these conversations of wisdom from our experts, they can be found [here](#).

APRIL MENTORSHIP INTERVIEW

We also had the opportunity to interview Meredith Cole and Claire Chiron about their April Mentorship. These ladies accomplished a great deal in the 4-week Mentorship Program and created a winning partnership in assisting Claire in launching a new program. As always, there were lessons learned, and they discussed how their partnership enriched both of their lives.

Helena Summer

She exudes grace and harmony in all that she touches, and when you meet her, this is undeniable. Helena Summer has a way of filling up the space beyond the physical with her essence. Many have called her a coach, mentor, and advisor, but these appear one-dimensional. She is a thought leader with an understanding between the feminine and the masculine. She gives her clients the tools to cultivate both not in balance but in harmony.

Helena has experienced war, life in a refugee camp, abuse through bullying and rape. She has felt deep loneliness and anger through heart-breaking loss. Through it all, she has expanded and awakened spiritually and intuitively. This wisdom and Genius comes through in her work and all that she shares with the world.

She will now share her knowledge of how to love, to fully understand your power, and to experience a world with the love that is divinely your right. Helena's gift is to assist you in raising your veil into the authenticity of YOU!

The words that she speaks are brilliant gems that go straight to your heart, passing the barriers of yesterday and showing you the pathway into a future with more love than you have ever known. Your beauty. Your love. Your value.

Brandon Nielsen

His understanding of design is his gift, but his superpower is building the bridge between a client's comfort and a head-turning fashionista. Brandon Nielsen's dedication to his craft is his contribution to bringing You into your brilliance.

He is an observer, and his inquisitive nature is one of his many talents. He knows the questions to ask that lead to an empowered collaboration with his clients. It is a journey that leads each woman into a new level of confidence. One where her Essence exudes and can be felt every time you are in her presence.

First Impressions. We make and receive them. You and I know the importance of these moments and that we can't take them back. Brandon is an expert and an Extra-ordinary Stylist that assists every client in expanding into her IS-ness. He has exclusively styled our very own, Elisha Covey, for six years. He will be sharing his Genius and approach to styling with the League of Goddesses.

A step-by-step process in finding our signature pieces, styling our miraculous bodies and walking into every room knowing we are shining our Light brilliantly in the world. No boardroom, meeting, or gathering stands a chance when we learn how to buy and style our wardrobe.

Brandon will assist us in bridging our space of comfort into a style that levels up our lives in every way.

NON-PROFIT 501(C)(3) UPDATE

Here is the latest news on our Non-Profit 501(c)(3). We have drafted and handed over the various information for our attained legal firm to complete the IRS paperwork. Even though the League of Goddesses is only a year old, this was a wonderful reflection on all we have accomplished.

A couple of things we are working on to assist with our Non-Profit 501(c)(3) and that you will be hearing and seeing in the upcoming months:

Autumn Auction

On **Saturday, October 9, 2021**, our LIVE T.E.A. Time Event in Dallas, TX, will include our first fundraiser. Our Autumn Auction and all proceeds will assist with the legal fees for our Non-Profit 501(c)(3).

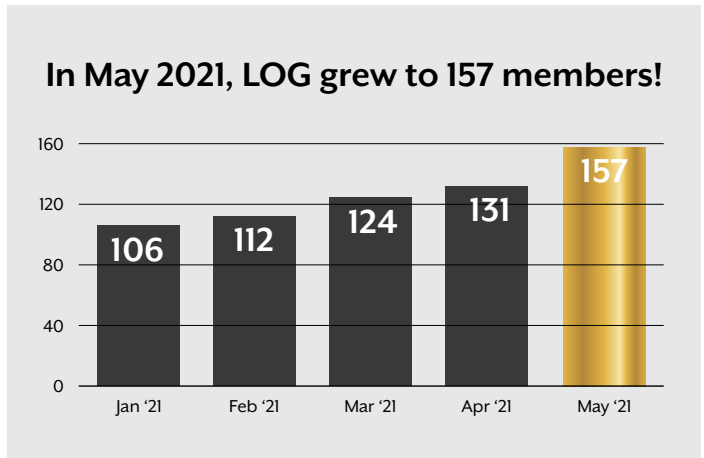

Do you have services or products to donate to this event? Have a Vendor or Customer that could contribute to our cause? This is how we can use our networking resources to bring the League to more women worldwide.

LOG Website

This is how we become more visible to potential members and patrons. We are in the design stage of bringing LeagueOfGoddesses.com to life. It will have the beauty that is everything Goddess and the information that keeps us in Excellence.

It is exciting to bring all the various pieces together and bring our vision into reality by 2022. The benefits of becoming a 501(c)(3) will allow each of us to request donations from our networking Corporations to give to our cause and assist entrepreneurial women globally.

Can you assist us in this journey? Every dollar counts from \$25 to \$1,000. You know what The League has brought to your life. Together we can bring this community of support to hundreds and thousands of women. Please consider donating [here](#).

GODDESS SPOTLIGHT

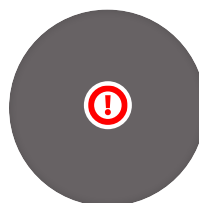

The May Goddess Spotlights brought four members to the forefront to inspire You. Each conversation has the same questions, and yet every answer is as unique as our individual fingerprints. These women bring vitality, strength, love, and wisdom into everything they are touching and bringing to the world.

The only thing better than listening to our goddesses in the Spotlight Interviews is meeting them at our Live Event in Dallas. Face-to-face conversations, making new friends with entrepreneurial women from coast to coast. Elisha gives us a taste of those conversations in each of the interviews.

Our membership is growing, Ladies! May brought more than 25 new members to our community. Each of these women are bringing their talents and gifts to the world. You do not want to miss getting to know them and the businesses they are creating.

Be inspired by their authenticity, all that they are creating in the world, and yes, we encourage you to DM these ladies with questions or insights. Click on the video links to listen to their stories!

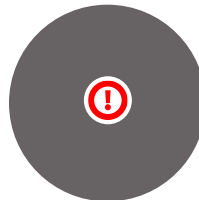

We release a Spotlight Interview every Friday. We encourage you to fit these into your commute, lunch, or inspired time. They are empowering conversations that let you meet the League of Goddess members.

THOUGHTS OF A GODDESS

The month of May brought a new video series: “Thoughts of a Goddess.” We love these thought provoking cards that Elisha randomly draws every Wednesday. They hold insightful questions, and it is a wonderful way for the Goddesses to get to know one another.

If you have missed them, no worries; the past videos can be found [here](#). Have a listen and catch up on the beautiful shares of the ladies of the League. It’s not too late to read these insightful words and to leave your thoughts.

This is a simple way to get to know one another and make those personal connections with other female entrepreneurs around the world. We truly appreciate the vulnerability and the wisdom that you share with one another. These moments of connection in sisterhood are what we adore and want to cultivate in the League of Goddesses.

Remember, every Wednesday, come and join in the conversation!

The Game of Life and How to Play It

By Florence Shinn

LOG rating: ★★★★★

Florence Scovel Shinn was a catalyst in the path of personal transformation. In 1925, *The Game of Life and How to Play It* was published with its innovative ideas, and it is relevant almost 100 years later. In today's world, Shinn would be an Influencer, but they didn't have that terminology back in the day. A pioneer in her field, we know she would have been a member of the League of Goddesses.

Shinn has a simple and yet transformative message— we receive back what we put into the world through our actions, energy, and attitudes. Negativity and pessimism are returned in kind, but by switching the script in favor of positive attitudes and affirmations, we can manifest success and joy in everything we do.

She states that life is not a battle of us against the world but rather a game of giving and receiving. What we give to the world we receive back—whether that be the dark weight of fear and inhibition or the freedom of joy and empowerment.

XO,
Elisha
