

DESIGNER DEBRIEF:

EDDIE ROSS

With a background in the culinary arts, food styling, and home decorating, Eddie Ross brings specialized knowledge to everything he touches. (These credentials also prove the design editor to be an excellent party host). Here, Ross – the author of *Modern Mix: Curating Personal Style with Chic & Accessible Finds* – weighs in on what he knows best: elevating spaces (and this season’s get-togethers) with creativity, color, and an unexpected blend of luxe pieces and flea-market finds.

THREE WORDS
THAT DESCRIBE MY
SIGNATURE STYLE:

“TRAVELED,
COLLECTED,
CLASSIC.”

MY GO-TO METHOD FOR
TABLESCAPING IS:

“Combining vintage glassware and linens with new additions to create a layered, collected-over-time feel. (Colorful glasses like Champagne coupes are great for serving desserts too.)”
