

• CRAFTED to LAST •

Every rug by Exquisite Rugs™, Los Angeles, is handmade – every touch continuing artisan techniques developed thousands of years ago (and hallowed by time).

## Hand-Knotted Pile

The technique fortifies (and beautifies) the brand's ever-evolving designs, from contemporary patterns to traditional motifs like this.

[EXPLORE THE BRAND](#)

This is art for your floor – for the sake of tradition and for generations to come.

## New Zealand Wool

The easy-care fiber is durable and resilient, allowing today's rugs to age gracefully – and become tomorrow's heirlooms.

## Attention to Detail

Artisans trim, serge, and brush each rug by hand for lasting quality and distinct character. (No two are exactly alike.)
