

# Two accidents waiting to happen.

*DUDD BOLT™ & MARS GUO™*

Not the best-known or most heroic guys you've ever met, but they knew their way around a Podrace arena.

And they certainly lent a bit of added interest to the Boonta Eve Classic before totally wiping out.

Just two of the more colorful characters in our latest collection of *Star Wars*® 3¾" action figures.

**STAR  
WARS**®
