EDUCATION

University of Missouri – Columbia | Columbia, MO

Target Graduation Date: May 2025

- Bachelor of Journalism

PROFESSIONAL EXPERIENCE

Independent study | The Columbia Missourian | Columbia, MO

Jan 2024 – May 2024

- Led comprehensive coverage of Columbia’s City Council election, as appointed by Editor Gordon Dickson, coordinating election-related content and ensuring high-quality, in-depth reporting.
- Profiled Columbia City Council candidates, conducting interviews and research to deliver compelling, well-rounded profiles that inform and engage the local electorate.
- Investigation work on the McBaine Water Treatment Plant Project, uncovering key insights and contributing to a critical public discussion on municipal water infrastructure.

Advanced beat reporter | The Columbia Missourian | Columbia, MO

Aug 2023 – Dec 2023

- Led Columbia City Council coverage, as designated by Editor Fred Anklam, delivering timely, accurate and in-depth reports on local government and law enforcement during the city’s search for the next police chief.
- Mentored and guided new reporters in fast-paced, deadline-driven environments, providing editorial direction and fostering skill development in investigative and beat reporting.

Data team | CSIS Journalism Bootcamp | Washington D.C.

May 2023

- Conceptualized, produced and edited a multi-layered multimedia project within a tight five-day deadline, demonstrating strong project management and creative execution under pressure for the Center for Strategic and International Studies (CSIS).
- Reported on global democratic backsliding, providing an international perspective on key political trends and challenges.
- Gained hands-on experience in international journalism, with a focus on data visualization tools such as Flourish and Datawrapper to enhance storytelling and data analysis.

Beat reporter | The Columbia Missourian | Columbia, MO

Jan 2023 – May 2023

- Reported and wrote under tight deadlines for both print and online platforms, delivering accurate, engaging stories for a local audience.
- Developed a robust network of city sources, regularly attending Columbia City Council meetings to stay informed on local issues and cultivate key relationships for in-depth reporting.
- Investigated and produced a data-driven feature on electric rates in Columbia, incorporating citizen polling and analysis, while covering key developments in the municipal election.

Assignment editor | On The Record Magazine | Louisville, KY

Aug 2020 – May 2021

- Led the creation and oversight of a comprehensive online story package during the height of the COVID-19 pandemic, managing content strategy and ensuring timely, accurate reporting.
- Managed and mentored a team of five diverse student reporters, leveraging their individual strengths to produce high-quality, compelling stories while simultaneously contributing as a reporter.
