## What We Like About Money Train 3 Pokie

Our slot experts, Olivia and Wayne, tried out Money Train 3 and found many things that stood out. The first thing is the unique theme of the Wild West mixed with a bit of futuristic steampunk. The graphics have been completely updated, and the spins move quickly and seamlessly.

The payouts are the number one thing we love about Money Train 3. The fact you can win up to 100,000x your initial bet is a huge selling factor and a good thing for people who love a bit of thrill and excitement. Overall, it is a game that offers a lot to its players, and it is definitely something we recommend trying out at least once.

## Money Train 3 Theme

The theme of the Money Train 3 pokie is one of the main things that differentiates it from its predecessors. While it still keeps a little bit of the Wild West theme we all love about the older versions, it has now brought the characters into the future with a steampunk design and features. For example, you can see the modern station behind the reels where the train has pulled in and some form of turquoise liquid that seems to pump through a large metal skull.

## Sound & Soundtrack

The soundtrack of Money Train 3 fits with the rest of the game's theme. You will hear some string notes in the background as you play, keeping pace with the Wild West theme. You also

hear a quieter rumble of the train, which gives you a more modern aspect. In addition, there are unique sounds as you hit a bonus round and spin the reel, and it all adds to the immersive experience of the slot.

## Money Train 3 Bonus Features

There are tons of exciting bonus features in the Money Train 3 to enhance your overall gameplay:

- Wilds symbol: This symbol will substitute for all paying symbols.
- Respin feature: The respin feature is triggered randomly and turns one of the symbols into a sticky symbol. You are then rewarded with 1 respin, and if you land on the sticky symbol again, you will receive another respin.
- Money cart bonus: The best Money Train 3 bonus is triggered when you land on 3 or more bonus symbols. During this bonus, you can land paying symbols with associated multipliers between 1x and 10x.
- Special symbols: During the money cart bonus, there are some special symbols you can land on that offer unique purposes. Look out for the collector, sniper and absorber to enhance your gameplay.
- Bonus buy: If you want to play the bonus game immediately, you can activate the bonus buy feature with an RTP of 96.50%.

## Pros and Cons of Money Train 3

Before you choose whether you want to play Money Train 3, have a look at the pros and cons of the game:

### Pros

1. Innovative bonus features: You can increase your chances of winning big by activating any of the thrilling bonuses.
2. Low bets: The lowest bet you can make is NZ\$0.10, which is excellent for people who don't have a large budget.
3. Big win amount: You can win up to 100,000 times your total bet, which makes the games a lot more exciting.
4. Mobile compatibility: Experience the immersive game wherever you go by loading it on your phone, tablet or desktop.
5. Unique theme: There is no other slot with a Wild West/dystopian theme, which makes Money Train 3 totally unique.

### Cons

1. High volatility: You may have to play for much longer and play more bets to bring home a significant win.
2. Low bets: This one is a pro and a con. It is a pro for people with limited budgets but a con for those who want to bet larger amounts.
3. RTP rate: While some may think 96.10% is an impressive RTP, it's lower than a lot of other slot games.
4. No free spins round: While you might be able to activate the respins bonus, there isn't a dedicated free spins round.
5. May not like the theme: It is unique, but may only be for some.
