

Loan Nguyen is a pet sitter located in Albuquerque, New Mexico. Originally from California, she moved to the East Coast before deciding to move to New Mexico to pursue her degree at the University of New Mexico. She graduated from UNM with a degree in Business Administration and a concentration in accounting. Her passion for animals led Loan to venture into the world of pet sitting.

Having a dog of her own, Loan can better understand that each pet she looks after has their own unique personality. She creates schedules and activities to suit each pet's needs. For energetic young dogs, Loan incorporates runs and hikes into their routine, while senior pets enjoy short strolls in a stroller during pleasant weather. She believes it is important for all pets to be comfortable and happy in her care. Her experience with all ages and breeds of dogs makes her a perfect pet sitter. Loan believes all animals are more than just pets, they are family.

As Loan spends more time with her business, she has become adept at understanding each dog's needs and personalities. She carefully schedules intakes based on each dog's temperament, whether they are shy or outgoing, and ensures a tailored approach to their care. She believes it is important to actively take opportunities to gain experience about training, health, and grooming of animals so she can expand her skills and continue to meet her client's needs.

Loan's goal is to eventually open a dog boutique. The boutique concept encompasses pet care, premium accessories, and serves as a resource hub, empowering individuals to deepen their understanding and knowledge in caring for their cherished furry companions. Loan hopes to create all environmentally friendly products as well as give clients the opportunity to choose products that fit every pet's needs. As Loan stated, "It has been a great experience so far and I am looking forward to continuing on this path."
