About

Passionate and versatile Video Editor, Sound Designer, and Mixer with a Film and Digital Media degree from Baylor University. Proficient in DaVinci Resolve and Adobe Premiere Pro, with extensive experience in media production and audio engineering. Committed to using my skills to serve the kingdom of God and enhance worship experiences through high-quality audio and video content.

Skills

- **Video Editing:** Proficient in DaVinci Resolve and Adobe Premiere Pro.
- **Sound Design and Audio Engineering:** Skilled in Adobe Audition and Avid Pro Tools.
- **Podcast Editing:** Extensive experience with professional podcast editing and sound design.
- **Content Creation:** Deep understanding of YouTube and social media editing styles.
- **Voice-over:** Professional voice-over artist with experience in various content formats.
- **Digital Storytelling:** Strong ability to create engaging and dynamic video content.
- **Effective Communication:** Excellent verbal and written communication skills.
- **Collaboration:** Proven ability to work collaboratively with team members and clients to achieve project goals.
- **AV Networking:** Certified in Dante Level 2, knowledgeable in wireless AV networking and complex production networks.

Experience

MARCH 2024 - MAY 2024

Content Editor - *Gray Man Media, Dallas*

- Cut and edited audio and video for various media outlets including TikTok, Instagram, and YouTube.
- Provided voice-over for faceless YouTube videos.
- Added text, visuals, and music to match brand and theme.

OCTOBER 2023 - PRESENT

Audio Engineer - *All Saints Church, Dallas*

- Manage setup and teardown of audio equipment for Sunday services.
- Collaborate with the Music Director to achieve well-mixed audio.
- Operate lyric slides through ProPresenter while running audio board simultaneously.
- Trusted to work weekend events such as retreats and prayer trainings independently.

SEPTEMBER 2022, MAY 2023

Podcast Audio Engineer - *Bioethics for the People, Waco*

- Edited audio, managed conversation flow, and performed noise reduction and audio restoration.
- Integrated seamless introductions and outros.
- Ensured quality control, managed metadata, and exported audio in collaboration with the producer.

AUGUST 2018 - MAY 2019

SEO Specialist - *Nativz, Dallas*

- Conducted keyword research, on-page/off-page optimization, and analysis for improving clients' online presence.
- Worked on backend aspects of multiple website projects to enhance search engine indexing and ranking.

Education

AUGUST 2019 - MAY 2023

Baylor University, Waco - *BA in Film & Digital Media, Minor in Media Management*

- Specialization in Audio/Video Editing, Sound Design, and Color Correction.
- Extensive experience in pre-production, production, and post-production workflows.
- Proficient in industry-standard software including Avid Pro Tools, Adobe Suite, and DaVinci Resolve.
- Hands-on experience with audio and video equipment tailored to project needs.
- Client relations and specification consideration.
- Gained experience in content creation/editing and audience engagement.
- Deepened my relationship with God alongside like-minded peers and mentors.

Additional Information
