2022 MHI Award

SVT Robotics is a Top-four Finalist!

Out of 121 submissions, professionals from material handling and supply chain chose SVT as one of four finalists for Best IT Innovation.

To compete for the top prize, SVT Robotics CEO, A.K. Schultz, will present the capabilities of the SOFTBOT Platform to a panel of judges at our booth on Monday, March 28th. MHI will announce award winners in each category on March 30th.

MODEX BIG BASH

03.28.2022 AT 6:00PM
MONDAY NIGHT GARAGE

Monday, March 28th, from 6–8 p.m.

Following day one of the conference, please join us for the annual MODEX Big Bash! Located at the Monday Night Garage, you'll get to hobnob with leaders of the supply chain industry (not to mention bring home some awesome swag).

This lively networking event is hosted by Schematics and sponsored by SVT Robotics and Prologis Ventures.

RSVP today — you don't want to miss it!

JOIN THE FUN

Let's Talk TECH!

It's not often you get to hear numerous tech pioneers — from companies like 6 River Systems, RightHand Robotics, Prologis Ventures, and others talk about the issues affecting your supply chain **and** offer ideas on how automation can unlock new possibilities.

These experts will share vital information (many are existing partners on the SOFTBOT Platform). Not to be missed!

What's better than ONE Booth at MODEX?

TWO Booths, of course!

Visit our second booth - #B8458 - located adjacent to our main stage booth #B8260. Our 2nd Booth will feature additional robotic and automation technologies from companies like Opex, 6 River Systems, and so much more!

Join us for light refreshments as you relax and admire the hardware of some great companies.

What would this newsletter be without some pre-MODEX Trivia?

“How fast can
SVT REALLY
integrate robots?”

Coming to a MODEX booth near you, our team will bear the answer next week!
