Are there any special requests[†]? _____

*A list of service descriptions is attached to this contract.

[†]You are welcome to bring your own snacks and beverages to have during or in between services, we just ask that you be mindful of other guests checking in for appointments. Please let us know if you have any other requests/needs that we need to know about (i.e. if it's a surprise for a specific group member, if someone has any allergies to Aveda or other products, etc.).

Reminder:

- Please arrive for your services with your entire party on time; consider our guests who are scheduled after you. If a group, or any member of the party, is late for the service provider, the service provider may or may not be able to accommodate the new arrival time. If the scope of the original contract cannot be fulfilled due to guest tardiness, services may be reduced. However, guests are liable for the original total fee.
- If you are having nail services done, please tell us if you, or any member of your party, have gel or shellac polish on, whether it's hands or feet. This type of polish requires extra time to remove, so we need to have prior knowledge of this to allow service providers additional time. Otherwise, services have the risk of being cut short. Gel removals are an additional \$15. Also, we are not equipped to remove Acrylic nails.

Large Group Policy & Payment Information

We ask that you schedule services for your party during regular business hours. If you are interested in renting out the salon for the duration of your services, please let us know, and we can determine a price for you.

Daylily Spa Salon requires a valid credit/debit card to hold your appointment, as we require a 50% deposit for all large group parties. This deposit will be refunded if you give prior notice more than 48 hours in advance in the case of cancellation; however, if you cancel within 48 hours, your deposit is nonrefundable. The deposit is applied to the scheduled services, and the cardholder is responsible for notifying members of the party about our cancellation policies and payment. If there are any no showed, canceled, or changed appointments within the 48-hour mark, the cardholder is responsible for payment. We do offer a 5% discount if you would like to pay for your services in full in advance. Please be aware that gratuity is not included, so remember your service providers accordingly.

Please contact our Group Coordinator if you have any further questions regarding our policy, and fill out the information below.
