### Terms and Conditions

Reward Flight Saver (RFS) is available to Avios members who've collected 1 Avios in the preceding 12 months prior to booking a Reward Flight to European destinations with British Airways.

RFS enables the member to pay £35 per person to cover taxes, fees and carrier charges on a qualifying return flight, or £17.50 on a qualifying one-way flight. The price quoted for RFS is correct at the time of going to print, but may be subject to change. Full terms and conditions can be found at [avios.com](http://avios.com)

All bookings are strictly subject to availability, which may be very limited or not available on some routes at certain times especially during peak periods. The total number of seats available for Reward Flights will vary from route-to-route and from week-to-week depending on commercial demand. Please visit the Explorer map for the latest availability. All bookings are subject to Avios terms and conditions and the Carriers conditions of carriage.

Free connections are not available from all regional airports, your connecting flight must arrive into the same airport as your international flight departs from. International Flights must depart within 24 hours of your regional flight arriving.
