## Arundel Business News Sold to Business Monthly

January 11th, 2012 | Author: chris

**The Chris O-pinion:** This week the news is that Arundel Business News has been sold to the [Business Monthly](#). BizMo has been covering local business in the region for a long time and provides the BizWeekly, an email snapshot of the week's news. As a subscriber of ABN you will automatically receive the BizWeekly.

To all of you and the picketers outside opposing the sale, you are in good hands with the BizWeekly. Thank you for allowing me to be part of your inboxes and spam filters for the past three years. I continue with my day job of providing marketing/communications consulting, so I expect I will see many of you at business functions. I can always be reached at [chris@chrisocom.com](mailto:chris@chrisocom.com).
