Send "flowers with personality" (*The Daily Telegraph*) this Valentine's and Mother's Day

The Deal

Bloom & Wild has been named "**the best letterbox flower delivery service**" by Good Housekeeping for its "**slick service**" and "**long-lasting, creative arrangements**". With this offer, you can order flowers for your loved ones and **save 35%** on the usual cost.

Why We Love It

- Bloom & Wild's letterbox flowers are **hand-packed and sent in bud** so they last longer and each bouquet comes with styling tips to assist in arranging the blooms
- If you want to **send something extra special**, you can opt for a hand-tied bouquet, which comes pre-arranged by Bloom & Wild's florists, so all you need to do is cut the stems off and pop them in water
- From birthdays to thank yous, Bloom & Wild offers **bouquets for every occasion**
- **Each spray has its own name and "personality"**, according to *The Daily Telegraph* -- we especially like the Harriet, the Margot and the Carrie
- Our offer runs until 31 March, so you can send flowers for **Valentine's Day** and **Mother's Day**
- **You'll save £33.25 on "the Roses & Champagne"** package for Valentines, which includes 24 hand-tied red roses and a half-bottle of Moët & Chandon Impérial Brut champagne
- You'll also receive 35% discount on Bloom & Wild's selection of **plants and hampers**
- The offer includes standard postage and packaging
