

LOCAL TIPS

Sleep in a bubble in the forest

When a hotel's name translates to "Dream Catcher," you can expect a unique experience. Located in a pine forest about a half-hour from Marseille, Attrap'Rêves comprises six individual bubble rooms where guests sleep beneath the stars in climate-controlled comfort. Each bubble offers a different ambiance: Zen, Love Nature, Glamour, 1001 nights, Chic & Design, Squirrel Hut, Tahitian Hut, and Lov'nid. Amenities include electricity, a private bath, and a king-sized bed. Guests can even order a boxed dinner for delivery. Consider a picnic under the stars featuring chicken fricassée with mushroom sauce and mashed potatoes followed by chocolate cake for dessert. Sweet dreams!
