Dear *XXXXX*,

You know that Rhode Island is a great place to live, it's why you've chosen it as your home. With 400 miles of beautiful coastline, its own unique charm, and a rich history, there's a lot to love.

But, we bet you also know that it could be better. **90,000 households — including 230,000 people — in Rhode Island are still struggling.**

That's where United Way of Rhode Island comes in...and **YOU**. We're dedicated to investing in proven programs that bring real results for all Rhode Islanders.

Last year, we helped more than 15,000 Rhode Islanders gain access to safe, healthy, affordable housing, healthy foods, and healthcare services. And our 2-1-1 helpline answered more than 400,000 requests from Rhode Islanders looking for help. We're making progress, but there's more work to be done.

We need **YOU** to **LIVE UNITED**. With your help, we could reach even more people and programs – some in your own community. You see, when you **LIVE UNITED**, more children in your neighborhood are ready to learn; more residents make a productive living; and more people have access to necessary health services.

Even more, we use 100% of your donations to the Community Impact Fund to help Rhode Islanders in need. This is made possible by a trust that covers all of our fundraising and administrative costs.

Please, consider a gift to the Community Impact Fund today.

Great things happen when we LIVE UNITED.

Sincerely,
