## EXPERIENCE HIGHLIGHTS

---

### University of Central Florida, Orlando, FL

Jan 2021 – Present

#### UCF Baseball & Women's Basketball Reporter.

Develop feature stories by conducting interviews of prominent people, such as UCF offensive lineman coach Herb Hand, women's basketball coach and NCAA champion Sytia Messer, two-time NCAA champion Greg Lovelady, and USA Deaflympics Midfielder Jullian Mitchell. Formulate recaps of basketball and baseball games by covering such events.

- Upheld journalistic ethics and standards, such as accuracy, fairness, and objectivity, while reporting on sports news and events.
- Maintained continuous and proactive approach to staying updated with developments in sports industry.
- Produced accurate and engaging content by attending all UCF home games in media press box.

### Conchita Espinosa Academy, Miami, FL

June 2016 – Aug 2022

#### Head Sports Director (Summer Camp)

Enabled 10+ counselors to take care of 200+ kids by leading and training team effectively. Oversaw 10–15-person coaching staff and trained personnel in conditioning techniques, practice drills, and cardio. Managed procurement of sporting goods equipment and kept accurate records of equipment inventory. Guaranteed certain level of discipline and athleticism of athletes by supervising and coaching more than 100 campers per day.

- Maintained professional relationships with coaching staff and athletes by showing respect, dependability, and being courteous.
- Improved interpersonal communication skills through interaction with various parents with different moods and natures.

Facilitated users with different abilities to engage in diverse activities by ameliorating activity strategies. Carried out clerical tasks, such as enrolling participants and responding to event-related queries. Delivered real-time comprehension, oral translation, and interpretations for campers and parents during any summer camp events and maintained pace with native speakers.

- Improved organizational reliability by sustaining athletic games equipment and facilities in top notch and efficient condition.
- Organized and supervised physical, creative, and leisure pursuits for groups of various sizes, ranging in age from 5 to 13 years.
