# A 1,200-page manual that fits in your pocket

Make sure you have the most up-to-date compliance and ethics information at your fingertips. We've transformed the 2019 edition of *The Complete Compliance and Ethics Manual* to make it interactive, versatile, and web and mobile friendly.

## Find reliable compliance and ethics updates from one convenient, trusted source.

- ▶ Proven, practical, in-depth content
- ▶ Online and print formats
- ▶ Powerful search capabilities

## New & updated content

We've also refreshed the content of the manual to respond to changes in government regulation and to the compliance and ethics industry.

### New content:

- ▶ Artificial intelligence and its benefits and risks for compliance
- ▶ Harassment in the workplace and the role of compliance
- ▶ Branding and marketing for your compliance program
- ▶ Anti-corruption laws and regulations in Latin America and the Caribbean
- ▶ DOJ guidance on evaluation of compliance programs

### Upgraded content in 24 areas, including:

- ▶ U.S. government contracting
- ▶ U.S. export controls
- ▶ GDPR
- ▶ Human trafficking prevention
- ▶ Changing landscape on cannabis
