

AROUND H TINE W/ LOUIS BARRAGAN

Seeing a stack of fresh firewood outside of a pizza joint is encouraging; walking into the shop to see a wood-fired oven cranking out pies is straight up exciting! Bollo Woodfired Pizza is serving up mouthwatering pizzas, delicious pasta, cold drinks, and more in Upper Kirby.

The restaurant offers a somewhat elegant, but inviting atmosphere with comfortable seating and tasteful furnishing. The central dining area gives patrons a clear view of the oven, cooking their meals to perfection. The spacious bar carries a variety of beers, liquors, and wines to pair with the many Neapolitan creations offered. One delicious creation is the Salsiccia: buffalo mozzarella, Sicilian sausage, roasted red bell peppers, red onions, and fresh oregano, all piled on a pillowy, but crusty dough. Other options include toppings like prosciutto de Parma, goat cheese, local micro greens, and more unique selections.

No matter what you like to pair with your pie, Bollo has you covered. Happy hour specials include \$3 Buffalo Bayou on draught as well as an incredible \$20 deal that includes a Margherita pizza and a bottle of wine. If Sunday brunches are more your style, get excited about breakfast pizzas, sandwiches, 99 cent mimosas and \$5 carafes from 11am to 3pm. Whether you are looking for an affordable alternative to the simple slices around town or want an enjoyable evening of pizza and drinks, Bollo is an excellent option.

For those unfamiliar with the word moxie, it's a force of character or determination. For those unfamiliar with Moxie's, it's a restaurant with a new Houston location filled with character, determined to impress you and it will.

Located at Post Oak and Westheimer across from the Galleria, the massive two-story building has ample room for guests with bars and seating on both levels. The atmosphere is

right between a lively sports bar and an upscale eatery. Everyone can enjoy themselves whether there for a game or the food.

The variety of the menu provides choices for any foodie. Delectable takes on Asian options include sushi, lettuce wraps, and curry, while surf-and-turf like Prime steaks and lobster will appease the biggest carnivores. Vegetarians aren't forgotten as Moxie's has an assortment of gourmet salads, pasta, and even a portabella burger. Be sure to try the dry rib tips with the biryani rub — a perfect blend of crispy, tender pork with a spot-on seasoning mix. Other highlights include the rich poutine — a Canadian classic composed of fries, brown gravy, and ridiculously flavorful cheese curds as well as the chicken Madeira rigatoni.

Looking to round out the meal with a drink? The bar has you covered with an extensive menu of beer, cider, cocktails, wine, and champagne.
