CHOPSTICKS

LOGLINE

A girl is on a mission to find her lost car. A series of unexpected events, a con man and a goat-loving gangster later, she finds more than what she was seeking.

A girl, a con man and a gangster were in a room.

A girl, a con man and a gangster were in a room.

AND A GOAT WALKS IN.

**What happens next is not
what matters.**

**But what made it happen,
does!**

INSIGHT:

The film is one helluva' ride because of the one thing we love to watch,
but wish never happens to us
