

Health and wellness

For many years, Johanna Companies has been the leading supplier of a variety of premium beverage choices. Whether you are looking for 100% juice products, teas, or drinks, our state-of-the-art manufacturing plant will supply you with the very best in refreshment, all designed to give your consumers the quality that will keep them coming back for more.

When it comes to thirst-quenching nutrition, it doesn't get any better than juice. At Johanna Companies, we use only the freshest fruits to give you the best-tasting, most nutritious juice around. With a full line of organic products and enough variety to meet your most unique needs, our juices will quickly become the centerpiece of your establishment.

Everyone knows that drinking tea isn't just for when you have a cold anymore. In fact, various forms of iced tea have become prevalent in the diets of many health-minded consumers. At Johanna Companies, we are proud to offer an expanded line of teas, including Lemon Iced Tea, Diet Lemon Iced Tea... even Green Tea with Honey and Ginseng.

Want more? How about our wide variety of punches and drinks? Tropical punch, citrus punch, even lemonade... we make it all. We even make Latino-influenced juices and nectars, adding broad ethnic appeal to your refrigerated beverage products.

Manufacturing Capabilities

Chilled Juice, Drink and Tea

The Johanna Companies' manufacturing facilities are state-of-the-art, utilizing the most technologically-advanced plant operations and processing equipment in existence. Our extensive selection of packaging options enable us to meet all needs.

For carton manufacturing, our Purepack fillers are equipped with ESL (Extended Shelf Life) technology, ensuring maximum shelf life. Sizes range from 6oz micropacks through pints, quarts, 51oz, 59oz, 64oz, 96oz and gallon sizes.

Plastic packaging capabilities at our facilities include dairy gallons, 64oz and 96oz stylized bottles and 59oz carafes, along with 8oz, 13.75oz, 16oz, 32oz and 64oz plastic containers.

Portion Pack fillers enable the company to produce 3oz, 4oz and 6oz juice and drink cups for food service opportunities.

Distinctive case packing options in our plants include tray packs and multi-flavor variety packs.
