3 Reasons to Try Daily Harvest

Looking to try a plant-based diet but not sure how to start? Daily Harvest makes it easy. Simply sign up for your Daily Harvest subscription box today and ready-to-eat smoothies, bowls, bakes, flatbreads, and more will be delivered to your doorstep and ready to heat in mere minutes. Plus, we'll take \$35 off your first order! Why should you try Daily Harvest over other brands? We'll give you 3 reasons:

1. **Ready in Minutes** – Our meals, smoothies, and more are designed to be prepared in just a matter of minutes on your stovetop or in your microwave. So, after a long day of work, preparing your meal is as easy as 1,2,3.
2. **Nothing Artificial:** Our ingredients are all-natural with no gums, gluten, chemicals, or added sugars,
3. **Sustainably Sourced Fruits and Veggies:** We work closely with our farmers to ensure organic farming practices and healthy soil to bring you only the finest and most sustainably sourced ingredients, from seed to nut

Unlike other subscription boxes, Healthy Harvest puts human health first by ensuring our ingredients are sustainably sourced and organically grown. If you're looking to get on the road to a healthier you, order your first Daily Harvest box today and get \$35 off your first order. Don't wait, or your first box today!
