

G-Star Raw Men's 3301 Slim Fit Jeans

ASIN: B00Z3BU2H2

Product Title (200 Character Limit)

A good product title helps customers easily find your product. A product/brand's key features and most important keywords are typically included.

G-Star Raw Men's 3301 Slim Fit Jeans, Medium Weight, Straight Legs, Classic 5 Pocket Design, Tight Waist, Short Rise Front, Regular Back, Sustainable, Soft Stretch Finish, Fix Closure

Bullet Points (10 bullet point limit)

The first five bullets are most important due to how your product listing displays on mobile devices. As such, it's best to keep each bullet point below 250 characters (for sellers) and 500 (for vendors). Sellers are only allowed 5 bullet points.

- CLASSIC 5 POCKET DESIGN: Clean and modern style with the classic functionality you're used to

Backend Keywords (249 Character Limit)

Also known as Hidden Keywords, these keywords are not seen by the shopper. Instead, they are used in the backend keywords field, which is indexed by Amazon's search algorithm. This means that when the shopper uses one of the backend keywords in their search query, your product may show up in search results even though the keywords are not used in the visible product listing.
