

Vasco is There!

How often do unexpected expenses seem to show up out of thin air? Often, individuals are finding themselves bombarded with sky-high medical bills, auto repair expenses, or the astronomical cost of home maintenance. Even those that live the most luxurious of lifestyles could use a little additional income from time to time; This is where Vasco Assets comes in! If you require assistance with divorce attorney fees, Vasco is there. When you need additional income to purchase your dream home, Vasco is there. Does little Timothy need braces? Vasco is there!

How Vasco Shows Up

For over 35 years, Vasco Assets has cultivated a reputation for helping our clients gain the additional finances needed for unexpected bumps in the road. It's our mission to buy or provide collateral loans against your luxury assets to help you receive the income you seek. Whether you're looking to part with your wedding ring from a previous marriage or you'd like a loan against a precious family heirloom, we make the process simple and painless.

Vasco Accepts Your Luxury Assets

As time goes by, you may collect a slew of luxury assets from gold jewelry to yachts and sports cars. When you need additional cash in a pinch, your assets can work for you! By selling or loaning against your luxury assets, you stand to gain great cash benefits.

What's Considered a Vasco luxury asset?

- A few examples of what Vasco assets accept are as follows:
- Diamond Engagement Rings
- Gold Wedding Rings
- Platinum Tennis Bracelets
- Gold Jewelry
- Designer Jewelry (Tiffany & Co., Cartier, David Yurman, etc.)
- Gold Coins
- Rolex Watches
- Sports Cars (Rolls-Royce, Tesla, Lamborghini, etc.)
- Yachts Fine Art

How Selling or Loaning Against Your Assets Pays Off!

Instead of seeking out a loan from a bank or racking up charges on your credit card, imagine a better solution. That solution exists with Vasco Assets. For all of your most pressing needs, Vasco is there! The best part about choosing to sell your luxury assets is you'll walk away with a check the same day. That's not all; **If you decide to take out a loan against your luxury assets, there's no penalty for paying it off early and reclaiming possession of your sentimental items.** It doesn't get any better than that. Take a look at how Vasco is there for you

Vasco Is Safe, Secure, and Confidential

When you step foot inside our fully secured Newport Beach office, you can take comfort in knowing that our industry experts will handle your items with tender love and care. Our first-rate jewelry buyer will sit down with you one on one to help you gain a thorough understanding of how your items will be valued and address any of your questions, comments, or concerns. In our private headquarters, you can sit back and relax while we carefully test and value your items. There will be no invasive credit checks and no danger of your personally identifiable information (your social security number) being compromised. In keeping with Vasco Assets standards, your entire experience will be kept strictly confidential. At Vasco Assets, we stand by our commitment to providing over 35 years of respected and trusted luxury asset purchases and loans.

About Vasco Assets

Vasco Assets Inc. is a privately held international investment firm located in Newport Beach, California. Vasco Assets has over 35 years of industry expertise from investing, lending, buying, and selling luxury items to collaborating with charities in developing custom offerings and much more. At Vasco Assets, we create and cultivate long-term, multi-generational relationships with our clients.

Vasco Assets' diversification in the global economy helps maintain our position as an independent international institution that is not subject to fluctuations in market conditions. In recent years, we've been making significant investments in our patent-pending technological platform and applying them to lending, investments, and fostering our client relationships.
