Re: Reference for Ms. Danaca Marier

Please accept this letter of reference for Danaca Marier.

Danaca has been a student at *Erin District High School* for the past three years. During her time here, Danaca has taken on various responsibilities involving the Equity at EDHS. During her Grade 11 year, Danaca was selected by her teachers to be the Indigenous Representative for our school, as well as a Grade 11 Rep. for the Black Excellence initiative.

I highly recommend Danaca Marier as someone who would be an excellent employee. She is not only responsible and reliable, she is open-minded and consistently demonstrates a strong work ethic. Should you wish to speak further to me, please feel free to contact me at the following telephone numbers:
