

## **Tween Gift Guide 2022**

It can be challenging to find the perfect gifts for everyone on your list, especially if one of them is a tween. If you've got an 8–12-year-old girl at home, we've got you covered with some fabulous gift ideas!

### **Sweaters**

The temperature has finally dipped in Rock Hill, giving us the perfect sweater weather for the next few months. This year, look for chunky knits in a variety of colors, and throw in some denim to go with it!

### **Personalized Tumbler**

Who doesn't need one more tumbler or water bottle for their collection? A customized piece adds even more excitement to Christmas morning. Order online—the sooner the better—or DIY the project yourself! Fill it with her favorite candy before you wrap it for another simple surprise.

### **Experiences**

The tween years are the perfect time to explore new interests and hobbies. Consider gifting her a yoga class or tickets to cheer on her favorite team. Art supplies, cake decorating tools, or even a cool STEM kit will also give her a chance to try something new.

### **Room Décor**

Chances are your girl is starting to want her own space a bit more, and it might be time to give her room a slightly more grown-up look. A complete overhaul isn't needed, though. Switch up the color scheme with a new comforter, or gift her some new room accessories, like a neon light or message board. She'll love that her new space reflects her personality, too.

### **Bluetooth Karaoke Microphone**

If she's still belting out Taylor Swift's "Bejeweled," she'll probably love a karaoke microphone! With Bluetooth connection and special features, she'll spend the rest of Christmas break singing with friends. And don't be surprised if other members of the family get in on the fun, too! (We're looking at you, Dads.)

### **Stocking Stuffers**

With the big gifts wrapped under the tree, it's time to fill her stocking! The options are endless, but you can't go wrong with some comfy socks, face masks for spa night, and flavored lip balm. Consider adding a few \$5 gift cards to her favorite ice cream shop, too!
