

Trust the Sunshine Sign COVID-19 Team, to Guide You Through the Evolving CDC Standards

Demystify the COVID-19 Compliance Process:

Now more than ever, we're here to keep your facility safe for your patients, visitors, and staff. You can count on Sunshine Sign to always be on the leading edge of COVID-19 safety. At Sunshine Sign we go beyond just compliance. We take the time to walk the facility with you and make unique custom signs that fit your exact evolving business needs.

Provide Guidance and Assurance With Sunshine Sign:

-  **Safety** – Desktop partitions, social distancing floor graphics, stanchions/barriers, etc.
-  **Evolving Metrics** – Ensuring interior spaces meet the latest COVID-19 mandates.
-  **Compliance** – State and Federal (CDC) required postings.
-  **Awareness** – Signage identifying best practices to ensure health and safety for employees & students.
