Dear Client,

Congratulations again on making one of the best financial decisions you could possibly make!

You've decided to join a select group of investors who have taken charge of their own financial futures by investing in one of the fastest ways to build wealth, *Option Trading Edge*.

I'm excited to have you on board. And I'm humbled that you have invested your trust in me and my trading system.

I want to bring two thoughts to your attention that I think will help you get started on the right foot.

First, I want to remind you of all the fantastic tools that are available to you as a member of *Option Trading Edge*. Here's a quick reminder of all you get:

- **Member Benefit No. 1: Weekly Research Issues**

During your 90-day run, you'll hear from me every week. Like clockwork. You'll receive analysis on our open trades, obtain insights on new positions, and get a heads-up on any important market activity.

- **Member Benefit No. 2: Instant Trade Alerts**

The moment there's a chance for a quick hit profit, you'll receive a concise email with crystal clear analysis and instructions on how to place the trade. Our average hold time is less than two months. So that gives you plenty of opportunities to see triple-digit gains!

- **Member Benefit No. 3: Encrypted Website Access**

You have access to the *Option Trading Edge* web portal on our exclusive, members-only website for a full 90 days. Here, you can access everything you

need to put your subscription into action, including an options tutorial series, our trading manual, and our model portfolio of all past and current trades.

- **Member Benefit No. 4: The *Option Trading Edge* Model Portfolio**

You can stay on top of every trade right from our website. My [model portfolio](#) tells you the options symbol, the entry price, the buy-up-to price, the current gain, and whether the trade is a “buy” or a “hold.”

- **Member Benefit No. 5: The *Option Trading Edge* Customer Care Team**

You’ve become part of a very elite group - and you’ll be treated as such. We’re here to help you walk through any questions or concerns that may arise. Our commitment to customer care ensures you won’t be left behind.

Option Trading Edge puts the tools you need for successful options trading at your fingertips. Our easy-to-understand library is specifically designed to help people who have no options experience trade like seasoned pros in no time.

An Offer Available Only To 3 Month Subscribers of *Option Trading Edge*

The second reason I’m writing to you is to let you know of an offer available only to my *Option Trading Edge* subscribers.

For the past three years, *Option Trading Edge* has given every member a chance at one 100% gain nearly every month on average, with an average hold of only two months!

Gains like

- 50% on Amazon in just 2 days
- 50% on Facebook in 12 days
- 203% on Tesla in 25 days
- 465% on Resorts International in 71 days
- 526% on Hewlett Packard Inc. in 79 days

Based on our proven trading algorithms, the next several months are shaping up to be highly profitable.

The only question is, Will you still be with us when the time comes to pocket these incredible gains?

To ensure that you maintain earnings momentum, I'm offering 12 months of *Option Trading Edge* for only \$1,496. I'll subtract the \$499 you already paid for three months of *Quick Hit Profits* from our regular rate of \$1,995. That amounts to **3 FREE months of *Option Trading Edge*.**

We'll add these 12 months to the 3 you just started, so you'll be set with *Option Trading Edge* for a good while – at a major discount.

Plus, you have the peace of mind knowing that you can cancel your subscription within 90 days, should you change your mind.

Why am I willing to take the financial hit and assume the risk of a money-back guarantee?

Simply put, I want to see you build momentum toward realizing the dreams you came to me with when you signed on for *Option Trading Edge*!

Next to pocketing significant gains, the biggest thrill I get is the responses I receive from subscribers like you living the life they imagined using *Option Trading Edge*.

I don't want to see you miss out.

I'm looking forward to seeing your name on our 12-month subscriber list! Simply click here to fill out the fast and secure form to lock in this incredible offer.

Regards,

Hank Wilson, CMT
