EDUCATION

Bachelor of Architecture
University of Kentucky (1981-1986)
Deans Award (1986)

EXPERIENCE

ANTHONY WILDER DESIGN BUILD

Cabin John, Maryland 2018 - 2022

Project architect for additions, renovations in the DMV area.

CLITES ARCHITECTS

Middleburg, Virginia 2014 - 2018

Project Architect for high-end custom residential projects including new house, renovations, additions, and out-buildings. Worked with the clients thru programming, schematic design, preliminary pricing, construction documents and thorough construction administration to make the project as successful as possible. Worked with associates and interns within the firm in a collaborative manner that made the project progress smoothly. Created design drawings in Cad and freehand to illustrate the design options. Built physical and Sketchup models when requested to help the Owner's visualize the final product.

NEUMANN LEWIS BUCHANAN ARCHITECTS

Middleburg, Virginia 2007 - 2014

Project Architect for high-end custom residences. Worked closely with clients, consultants, contractors, designers and craftsmen to achieve the highest quality product for our clients. Featured projects were featured in Architectural Digest and Traditional Home.

VERSACI NEUMANN AND PARTNERS

Middleburg, Virginia 1999 - 2006

ARCHITECT MICHAEL L. OXMAN AND ASSOCIATES

Hillsboro, Virginia 1995 - 1999
