## Lite Tuition

**"Exhale and Excel with Lite Tuition"**

Created to help students from all walks of life  
with their tuition cost.

### **Does high tuition cost impact you?**

**"The average cost of college in the United States is \$35,720 per student per year. The cost has tripled in 20 years, with an annual growth rate of 6.8%."**

**~ Education Data (7/2021)**

**"More than one-third of the colleges were only affordable to students with a family income over \$100,000. Students from lower income backgrounds, the analysis found, could only afford 1 to 5 percent of the colleges."**

**~ National Association of Student Financial Aid Administrators (3/2017)**

**"The average student borrows over \$30,000 to pursue a bachelor's degree. 20 years after entering school, half of student borrowers still owe \$20,000 each on outstanding loan balances."**
