

WHAT WE DO IN THE SHADOWS

A Season 4 Spec Script

Written by

Lou Baldwin

INT. NADJA'S NIGHTCLUB - NIGHT

NADJA and THE GUIDE are in the nightclub, standing on top of a table, hanging the last of many meat hooks from the ceiling.

THE GUIDE

So is the club a meat factory now?
I do have a food handler's license.

NADJA

Oh no, you know how these leather kink 90s vampires are. They're enamored with the hooks, but they rarely follow through with the bodies. It's too much work, gets in the way.

INT. INTERVIEW WITH NADJA

NADJA

While the nightclub is of course perfect, just like me, with no flaws to be seen, it isn't making me the dosh on dosh I thought it would.

INT. GAS STATION MINI-MART - NIGHT

Nadja and Laszlo are at the checkout counter. DEREK, Guillermo's vampire friend, is behind it. On the counter, there is a PILE OF GAS STATION PENIS PILLS and a CELL PHONE on speaker, with GUILLERMO on the other end.

NADJA

What do you mean we can't afford it?!

GUILLERMO (V.O.)

I'm sorry, but we don't have enough money in the club's budget to buy fifteen hundred dollars worth of penis pills, believe it or not.

NADJA

Not!

LASZLO

Heartily not! Now Gettysburg, I am already royally P.O.'ed that you withheld these pharmaceutical genital enhancements, hoarding them for yourself.

GUILLERMO (V.O.)

I don't, you really shouldn't
(groans, not bothering)
Can't you just hypnotize the guy?

NADJA

You don't think we tried? Your stupid vampire friend is behind the counter. We were only able to trick him into giving us his phone.

DEREK

I did that on my own free will. Hi Guillermo.

GUILLERMO (V.O.)

Hi Derek. Now, again, I'm sorry guys, we just don't have the money for penis pills.
(hangs up)

Derek tries to grab the phone, but Nadja snatches it in anger and hurls it against the wall, shattering it. She and Laszlo storm out. Derek awkwardly looks at the camera.

INT. NADJA'S NIGHTCLUB - NIGHT

Nadja and The Guide step off the table.

NADJA (V.O.)

So, me and Laszlo took it upon ourselves to find an additional source of income.

Laszlo enters, followed by DARREN CHILLBY, a young, handsome, well built man with a little stubble. He wears a leather jacket and thin white shirt, neither of which succeed in covering his chest.

LASZLO

And here it is.

Laszlo presents the glorious interior, and Darren is blown away.

DARREN CHILLBY

Oh my god. You got the meat hooks?
Nadja, did you do this?

The Guide tries to wave to get some recognition, but Nadja steps in front.

NADJA

Well a first impression is very important.

DARREN CHILLBY

Nadja you a beautiful gift sent from the underworld. Come here.

Darren hugs Nadja tightly. Her expression reveals her discomfort despite her attempts to play along.

LASZLO (V.O.)

I met Darren Chillby at a casual orgy last Thursday.

INT. INTERVIEW WITH NADJA AND LASZLO

LASZLO

Just a little meet up at the YMCA. I tell you, as I began fiddling his flesh flute, and he mine, staring into each others eyes, he blurts out (among other things) the fact that he's looking for a new place to host his parties.

We see images of a grimy nightclub with a big neon "The Meat Locker" sign.

NADJA

Its truly a shame. His old place, The Meat Locker, got shut down for health violations.

We see pictures of the condemned interior, which was a mixture of a nightclub and actual deli.

LASZLO

He admitted himself that he got a little greedy trying to be a literal meat locker. "Go big or go home" as he said.

NADJA

"Go home" the police said.

We return to the interview.

NADJA (CONT'D)

It was the chance meeting that people write stories about.

LASZLO

Truly something out of a fairy tale. After several orgasms, I tell him about Nadja's and how we're looking for someone to rent it out on Mondays.

Opening credits

INT. NADJA'S NIGHTCLUB - NIGHT

Darren excitedly looks around the club.

DARREN CHILLBY

Oh, you guys did too much. You got the hooks, the weapons rack full of hook swords, the neon lit couch where I can make out and get a blowjob at the same time.

LASZLO

Tested that one out myself.

DARREN CHILLBY

It's perfect.

NADJA

We aim to please.

DARREN CHILLBY

I do have some random bits and bobbles I need to put somewhere.

As he says this, two vampires wearing similar sexy nineties goth club attire come in holding a VERY LARGE CRATE.

DARREN CHILLBY (CONT'D)

Let me ask. Is there somewhere here that would qualify as an ancient summoning room? Maybe a blood ritual...

THE GUIDE

Top floor.

Darren gives a thumbs up and motions the vampires holding the crate to follow him upward.

INT. MANSION. LIBRARY - NIGHT

Guillermo vacuums the library floor until he reaches the giant tree jutting out of the wall. Despite his efforts, he cannot vacuum underneath it. Eventually, he gives up and resorts to using the tube attachment to clean around it by hand.

BABY COLLIN sits on the floor with a small TV and a PS5, playing MORTAL KOMBAT 11. NANDOR and MARWA sit nearby reading. NANDOR hears the SOUND OF VIOLENCE coming from the TV.

NANDOR

Baby Collin Robinson, is that the screams of war I hear coming out of that device?

BABY COLLIN

Yep. It's called Mortal Kombat 11. It's a sequel to Mortal Kombat 10, which is the sequel to Mortal Kombat 9, which was actually just called Mortal Kombat, because it was a reboot...

Nandor stares at the screen.

NANDOR

These combatic feats are so efficiently violent.

He sits on the floor next to Baby Collin and takes the controller.

NANDOR (CONT'D)

You must show me.

There's a KNOCK at the DOOR. Guillermo goes to answer it. It's Derek wearing a black trench coat.

GUILLERMO

Derek?

DEREK

Guillermo, I need to talk to you. Urgently and alone.

EXT. MANSION - CONTINUOUS

Guillermo grabs Derek's arm and leads him to the back of the mansion. Derek smells the air, and almost vomits at the smell of all the rotting corpses buried back here.

DEREK
God it stinks.

Guillermo shrugs.

GUILLERMO
You get used to it. What do you need?

DEREK
Oh, right. Hold on.

Derek starts to spin around, attempting to imitate the transformation scene from Wonder Woman. After a few awkward rotations, he tosses his leather trench coat at Guillermo and reveals a combat vest heavily inspired by BLADE.

GUILLERMO
Whoa, nice Blade costume.

DEREK
Who? No, this is my
(whispers)
Vampire hunting outfit.

GUILLERMO
What?

DEREK
Listen, after everything that's happened to me, I realized somebody has to stop the bad ones. Now that I have vampire powers, I can. Just like Wonder Woman.

Guillermo is having trouble processing this.

GUILLERMO
Wonder Woman?

DEREK
Yeah, I'm just like Wonder Woman. I fight vampires like Wonder Woman.

GUILLERMO
She doesn't fight vampires.

DEREK

I've got a lasso of truth.

Pulls out retractable garrote

GUILLERMO

That's not a lasso it's a garrote.

DEREK

I've got a...

Pulls out something attempting to be Blade's glaive, but is more of a whiffle ball with some knives in it

DEREK (CONT'D)

Knife ball... of... beauty.

Guillermo is losing his patience.

GUILLERMO

Ok, what do you want? Are you here to kill my friends?

DEREK

No, no. Out of respect for you, I will let them live, for now.

Guillermo rolls his eyes.

DEREK (CONT'D)

No, I'm here because I uncovered something big, and I need your help.

Flashback

INT. GAS STATION MINI-MART - NIGHT

Derek is scanning penis pill after penis pill, looking annoyed at Laszlo and Darren Chillby. Laszlo is as giddy as a school girl. Darren rests a hand on Laszlo's shoulder.

DARREN CHILLBY

That's right, a little early appreciation gift for the use of the space.

LASZLO

Your generosity knows no bounds sir.

DARREN CHILLBY

Well you're really doing me a big favor here Laszlo. I'm gonna let you in on something. I'm planning something pretty big on Monday.

Derek becomes intrigued. As does Laszlo.

LASZLO

Oh, do tell.

DARREN CHILLBY

Well, let's just say, once you take all these pills, we'll both be summoning a god.

LASZLO

The god being my penis! How clever Darren.

Derek stops scanning to look at Darren with hostile suspicion.

DARREN CHILLBY

Hey, gas boy
(pounds the counter)
Let's keep it moving.

All the emotions boiling inside Derek instantly disappear.

DEREK

Yes sir.

End flashback

EXT. MANSION - CONTINUOUS

DEREK

So, I did some research, and check this out.

Derek shows Guillermo his phone. We then see images of ancient drawings of horrific beings covered in runic script.

DEREK (CONT'D)

This is the Jutting Elder Dire. He can only be summoned on the blood moon by powerful vampires. Judging by the amount of penis pills that man can afford, I'd say Darren Chillby is pretty powerful.

GUILLERMO

Tomorrow's the blood moon. Oh my god there is literally a summoning room in the same building as the nightclub.

INT. SOLO INTERVIEW WITH GUILLERMO

GUILLERMO

I'm not trying to make vampire hunting a habit or anything. But when the world needs a hero, who am I not to answer the call.

Guillermo gives a smug smile.

NANDOR (O.S.)

Guillermo! I require a dish towel for my sweaty hands.

BABY COLLIN (O.S.)

He just wanted an excuse to pause the game.

NANDOR (O.S.)

I will put you and your Liu Kang into an early grave!

Guillermo goes off to find dish towels.

EXT. MANSION - CONTINUOUS

Guillermo shakes Derek's hand.

INT. MANSION. HALLWAY - NIGHT

Nadja and Laszlo, dressed in their unique style of finery, make their way to the front door while chatting with the camera.

NADJA

Darren Chillby has invited us to the event he's throwing at my night club. He said, as very powerful vampires, we have the honor of meeting his special guest.

LASZLO

My bet is he's referring to his penis, so we must not be late.

INT. MANSION. LIBRARY - CONTINUOUS

Nadja peeks into the library where Baby Collin plays Mortal Kombat with Nandor, who appears ready to explode.

NADJA

Nandor are you ok looking after
Baby Collin while we're out?

NANDOR

Leave us Nadja! The thrill of
battle boils my bones, and I will
not cease until Baby Collin
Robinson has tasted defeat.

BABY COLLIN

I think you're having so much
trouble because you insist on using
Shao Kahn. I know he's cool
looking, but he's one of the lowest
ranked on the competitive circuit.
Maybe if you tried someone like
Fujin, or Jacqui Briggs, or
Cetrion...

Nadja leaves.

INT. FRONT FOYER OF THE MANSION - CONTINUOUS

Nadja and Laszlo exit the mansion while Guillermo, dressed in his vampire hunting gear, slips out behind them.

NADJA

I was initially concerned about
renting out my beloved club. But if
not to a group of leather-clad,
scantily dressed, hyper-sexualized,
violent vampires, then to whom?

EXT. MANSION - CONTINUOUS

The two make it to the front of the mansion, while Guillermo slips away behind them and jumps the fence to the sidewalk

LASZLO

Amen to that.

Derek meets up with Guillermo in the background.

LASZLO (CONT'D)

Bat!

The two turn into bats and fly off. Derek grabs Guillermo and flies off with him.

EXT. NADJA'S NIGHTCLUB - NIGHT

Derek and Guillermo land in front of the nightclub and sneak up to the front door.

GUILLERMO
So, what's the plan?

DEREK
Um, what were you thinking?

GUILLERMO
Well, you're the big vampire
hunter. What have you done before?

Derek bites his knuckles. Guillermo sees Derek's worry and gets furious.

INT. SOLO INTERVIEW WITH GUILLERMO

GUILLERMO
Look, I know it was dumb of me to
assume that Derek had any prior
experience in vampire hunting.
Maybe I couldn't help getting
swept up in his array of gear and
leather. Maybe I was just looking
for a reason to hunt again.

Guillermo looks away, worried at what may be bubbling to the surface.

EXT. NADJA'S NIGHTCLUB - CONTINUOUS

Guillermo grabs Derek's collar.

GUILLERMO
Are you telling me you've never
done this before?

DEREK
Well there was the Hustle Dynasty.

GUILLERMO
You died then!

Guillermo drops Derek in disbelief.

GUILLERMO (CONT'D)

Oh my god, we're going home.

Guillermo walks away and Derek goes to follow him, but drops a couple of swords. He quickly gathers them up and chases after Guillermo.

DEREK

Wait Guillermo please.

Guillermo, frustrated, stops.

DEREK (CONT'D)

I should have told you earlier that I haven't been on a hunt since the last one we went on.

GUILLERMO

Where you were captured by

DEREK

Captured by vampires and was almost killed but in the end became a vampire myself.

GUILLERMO (CONT'D)

Vampires and was almost killed but in the end became a vampire yourself.

DEREK

But that's why I made sure I had everything right for this. You see these swords? Silver. And my lasso.
(pulls out retractable garrote)
Smell it.

Guillermo smells it.

GUILLERMO

Garlic.

DEREK

That's right. I wanted to be prepared.

GUILLERMO

What about that weird ball thing.

Derek pulls out the whiffle ball with knives on it.

DEREK

Got a little carried away on this one.

Guillermo gets upset again and starts walking away.

DEREK (CONT'D)

Guillermo wait. We still have to stop Chillby from summoning the Jutting Elder Dire.

Guillermo stops.

A beat

Guillermo sighs and walks towards the club.

INT. NADJA'S NIGHTCLUB - NIGHT

We navigate through a hazy crowd of fishnet shirts, blazer-bra combos, and leather. 90s club tech music blasts from the DJ booth. The DJ sports two tiny flashlights attached to his headset. Everyone is dancing, and by dancing I mean either jumping around like a dork or getting real close, almost kissing, maybe a little tongue flick, and then moving away.

Darren Chillby leads Nadja and Laszlo through the dance floor. Nadja and Laszlo are super into everything going on, making various comments and compliments to people as they pass.

INT. NADJA'S OFFICE - CONTINUOUS

The three make it into Nadja's office.

NADJA

I can't believe how packed my club is.

LASZLO

It's turned into a wonderful sweat lodge of ecstasy.

DARREN CHILLBY

Yeah, they're good kids.

NADJA

I have to say if this is the company you keep, we can't wait to meet your special guest.

DARREN CHILLBY

Ah yes, speaking of which.

Darren walks to the back wall and presses a button, opening an elevator. Shocked and confused, Nadja and Laszlo walk in.

NADJA

Did you install an elevator in my office?

DARREN CHILLBY

No, it was here. It was just filled with junk.

LASZLO

The mystery of the disappearing storage closet has been solved!

INT. NADJA'S NIGHTCLUB - NIGHT

Bodies writhe in strobe lights as Guillermo and Derek walk in, assaulted by music. Derek steps in front of Guillermo, shrugging off his coat, covering Guillermo with it.

GUILLERMO

Alright, nobodies paying attention to us. If we just stay down...

Derek pulls out a PISTOL PAINTED SILVER and FIRES IT.

DEREK

Hey blood suckers.

The club turns to him.

DEREK (CONT'D)

Suck on this.

He begins firing at the vampires. While the bullets push them back, they aren't killed by them.

GUILLERMO

What are you doing?!

DEREK

Don't worry, it's silver.

GUILLERMO

The gun or the bullets?!

Derek realizes his mistake.

DEREK

Aw man. Well that's just egg on my face isn't it.

As the vampires approach them, Derek draws his sword and swings it, looking impressive but making little contact.

At first, he appears terrified, but fortunately, Guillermo uses him as a distraction and stabs the vampires from behind.

As the fight goes on, Derek realizes that the vampires he attacks are dying. Not realizing that he is merely a middle man in this exchange, his confidence begins to build. He starts throwing more elaborate, even less effective sword strikes.

Derek then jumps high into the air, doing a flip. Guillermo, annoyed, parkours off a nearby wall. The two of them land right in the middle of dance floor. Strobe lights above the dance floor freeze frame the battle. From the glimpses between lights, we see that Derek would have been quickly defeated if it weren't for Guillermo's lightning-fast movements, as he stabs and throws his stakes with precision.

A LARGE VAMPIRE tackles Derek, and they both fly through the crowd. They slam against the wall. As the large vampire raises his fist to strike Derek, Guillermo lifts him over his head and throws him against the wall. Guillermo then helps Derek to his feet. Derek turns to the large vampire, takes out a grenade, and shoves it into his mouth.

Derek slowly walks away, flicking open his sunglasses to put them on. But before he can, Guillermo, realizing there is an active grenade behind them, grabs Derek, and pulls him into a...

INT. WEIRD SHOWER ROOM - CONTINUOUS

The grenade explodes, pushing the two onto the grimy tiled surface of a weird large circular shower. Before Guillermo has a chance to shout at Derek for almost killing them, three vampires appear on a nearby ledge.

Guillermo runs to attack them. Derek smiles and pulls out his whiffle ball with knives and throws it. The first vampire deflects the ball to the next one, but is quickly stabbed in the back by Guillermo. The ball then ricochets to the second vampire, who also gets stabbed.

However, the third vampire's deflection is so strong that the ball rebounds off the walls and heads straight back towards Derek. Derek tries to catch it without looks, but gets stabbed in the hand. The entire sequence flows fluidly, each motion seamlessly leading into the next.

Guillermo starts to run back to Derek, but notices a vampire rushing him. He stops and hits him with an uppercut.

MATCH CUT TO:

INT. MANSION. LIBRARY - NIGHT

Lui Kang hits an uppercut brutality on Shao Khan. We see Baby Collin and Nandor still playing Mortal Kombat. Marwa has fallen asleep in her chair. Nandor THROWS HIS CONTROLLER at the TV. COLLIN SCREAMS in fear.

NANDOR

I am done with this digital bullshit. If you insist on defeating me so many times, baby Collin Robinson, let's see if you can defeat me on my terms!

Nandor goes over to the fallen tree in the middle of the library and RIPS OUT A TREE BRANCH the size of a warhammer. COLLIN RUNS OFF SCREAMING as Nandor pursues.

INT. NADJA'S OFFICE - NIGHT

Derek kicks down the door and starts looking around the office. Guillermo enters, exhausted from the fight. Derek heads to the room's rear and activates the elevator. He then performs some kicks, hyping himself

DEREK

Woo! Guillermo I am on top of the world! Did you see me out there? I was a god.

GUILLERMO

That's great Derek. But when we find Darren, maybe you should just hang back.

DEREK

What do you mean? I was killing it out there.

The elevator opens. Derek walks to the doorway.

DEREK (CONT'D)

Maybe you should just stay down here.

Derek enters the elevator and the door starts to close. Guillermo attempts to stop it, but fails due to his exhaustion. Frustrated, he grabs a stake and forces it into the door, creating a gap. He manages to widen the gap and pry the door open with his hands.

He looks into the elevator shaft and sees the elevator going up and up and up. He lets out a sigh, then jumps into the shaft and begins to wall jump his way up.

INT. BLOOD SACRIFICE ROOM - NIGHT

Nadja and Laszlo stand with Darren Chillby in a large stone room. Pillars line the wall with ancient symbols carved into them. The room is covered in ceremonial candles, bones, and other blood ritual essentials. The three stand around a recessed bowl in the middle of the room, holding SACRIFICIAL KNIVES.

NADJA

You know, now that I know this room exists, I'm thinking maybe some big curtains, a skylight, a little shiplap.

LASZLO

Oh my. Sounds like somebodies been watching Go Flip Yourself.

DARREN CHILLBY

Alright love birds, lets focus on the blood sacrifice.

The three slice open their palms and squeeze the blood into the recessed bowl. The ruins glow red. The platform begins to rise. Blood red lightning shoots from the bowl and strikes the three in the forehead, putting the three in trance. Nadja and Laszlo are a little worried at first, but the trance soon turns orgasmic.

The trance is broken by the DING OF THE ELEVATOR. The group look over to see Derek step out.

LASZLO

Who the devil is that?

Darren narrows his eyes at Derek.

DARREN CHILLBY

The gas station guy.

NADJA

Who?

Flashback

INT. GAS STATION MINI-MART - NIGHT

We return to the tale end of the previous gas station flashback.

DARREN CHILLBY
Hey, gas boy
(pounds the counter)
Let's keep it moving.

All the emotions boiling inside Derek instantly disappear.

DEREK
Yes sir.

Derek clumsily puts all the penis pills into a bag and hands it to Laszlo. Laszlo and Darren head towards the door. Laszlo takes a couple pills out and starts eating them like candy. Darren looks back to Derek. Derek, looking suspicious, has his phone out, and unsuccessfully tries to hide what he's doing. Darren sees him looking up "Silver swords cheap" His eyes narrow

End Flashback

MATCH CUT TO:

INT. BLOOD SACRIFICE ROOM - CONTINUOUS

Darren keeps staring. Laszlo and Nadja grow concerned at Darren's stillness.

LASZLO
You ok there--

DARREN CHILLBY
You guys stay here, I'll take care
of this.

Darren Chillby throws off his jacket and jumps down from the platform, landing in front of Derek. The DOCUMENTARY CAMERAMAN, who is just a guy and not a vampire, can not jump down to join them. So, we see the entire fight from Laszlo and Nadja's perspective.

Derek and Darren Chillby exchange banter, none of which we can hear because the camera is too far away and neither of them are mic'd up.

NADJA
Aw, the poor child is going to get
killed.

LASZLO
Well at least he'll die in battle.

NADJA
Nandor would love this.

LASZLO
But first, an exchange of witty
dialogue.

NADJA
What do you think their saying?

LASZLO
(imitating Darren Chillby)
Sorry friend, but here is where you
make your last stand.

NADJA
(imitating Derek)
Oh, no please, I am so weak and a
baby.

LASZLO
Prepare to taste the strength of my
large penis!

Darren grabs Derek and throws him against the elevator doors.
The doors break off and fall down the shaft.

NADJA
Oh no! I just found out this place
is here and now I have to pay for
damages?

Derek gets up, hurt, and charges at Darren. Derek recklessly
swings his blade, and Darren easily dodges.

LASZLO
You know, he really does have quite
a large penis.

NADJA
He really does.

Darren begins swatting the blade away, showing his superior
strength.

LASZLO
You've seen it?

NADJA

You know how yesterday I need to come in to make sure everything was "working right"?

LASZLO

You dirty minx.

Darren punches Derek in the face. Derek stumbles back, making sure his nose isn't broken. He gets angry, and blindly lunges an attack across Darren's chest. But instead of making any skin contact, he simply slices open Darren's shirt. Darren rips off his shirt, revealing his hot bod.

NADJA

Woohoo!

LASZLO

Now we're talking.

Darren delivers a powerful kick to Derek's chest, sending him crashing into the stone wall. Some rocks crumble down from the ceiling on impact.

LASZLO (CONT'D)

Why didn't you invite me to your little soiree?

NADJA

Oh you know you can be such a penis hog.

LASZLO

Guilty as charged.

Darren walks over to a struggling Derek. He puts his foot on Derek's throat and starts pressing down. Derek reveals his fangs and bites Darren's ankle.

NADJA

Small balls though.

LASZLO

Insanely small balls.

NADJA

Like a cartoon woodpecker.

Derek pushes Darren off of him and runs up the wall. He jumps towards the platform. Darren jumps up and tackles him mid air. Darren lands on top of Derek on the platform, his back to the elevator.

He raises both fists to deliver the crippling blow, but stops as he feels a sharp pain in his heart. He finds one of Guillermo's stakes piercing his heart from behind. He falls backwards. As he does, we see Guillermo holding on to the bottom of the elevator doorway. He climbs into the room as Darren splatters onto the ground.

NADJA (CONT'D)

Guillermo what the fuck did you just do?!

Nadja and Laszlo jump down.

GUILLERMO

(catching his breath)

We came here to stop him.

LASZLO

Stop him from what? Get ahold of yourself!

GUILLERMO

I just had to climb up, I don't know how many flights to get here, after fighting a room full of vampires. Give me a minute!

Laszlo and Nadja throw their hands up at Mr. Sassy over here. Guillermo composes himself.

GUILLERMO (CONT'D)

Me and Derek came here to stop you and Darren Chillby from summoning the Jutting Elder Dire.

Derek slowly floats down from the top platform.

LASZLO

Jed, you wanted to stop Jed?

NADJA

Why the fuck would you want to do that?

Guillermo goes to say something, but then realizes he doesn't know.

GUILLERMO

Derek, what did it say would happen when Jed was summoned?

DEREK

Um...

(begins to check pockets)
I don't have my phone.

GUILLERMO

Did you not read the whole thing?

DEREK

Listen, I read "Jutting Elder Dire"
and figured that was enough to
know.

NADJA

Well that's really fucking ignorant
of you. Jed is just a fun figure
for the blood moon. You do a blood
sacrifice, and Jed will bring you
bountiful prosperity. It's like you
humans leaving cookies for Santa on
Christmas, or crucifying Jesus on
Easter. It's not real, but it gives
you comfort. Something I really
could use sense this club isn't
making nearly as much money as it
should be.

Nadja looks accusatory at Guillermo. Guillermo looks guilty,
but for much more than Nadja realizes.

DEREK

Then why was Darren being so vague
and suspicious at the gas station?

LASZLO

Me and Nadja haven't had a room to
do a Jed sacrifice in years. When
Darren found this room, he decided
to surprise us.

Everyone looks at the splattered corpse of Darren Chillby,
and takes a beat of silence.

NADJA

Well at least he paid in advance.

EXT. MANSION - NIGHT

The four arrive back at the mansion. As they walk to the
door, they hear NANDOR SHOUTING from INSIDE.

NANDOR (O.S.)
Face me Baby Collin Robinson!
You're flying dragon kicks are no
where to be seen!

BABY COLLIN
Pst.

The group look to a nearby tree. Baby Collin clings on to a nearby branch.

LASZLO
Boy, what are you doing up there?

BABY COLLIN
Shh! Nandor couldn't handle my epic
gamer skills. He's gone nuts.

GUILLERMO
He's just very competitive. He'll
calm down in an hour or two.

Laszlo grabs Baby Collin from the tree and puts him on the ground.

LASZLO
Come, we'll make ourselves busy
while he calms down. How about we
treat you to some cigarettes?

BABY COLLIN
Could we get some ice cream
instead?

LASZLO
(rolling his eyes)
What a nerd.

Laszlo, Nadja, and Baby Collin walk off. Derek turns to Guillermo.

DEREK
Alright, I should get going. Thanks
for helping me kill an innocent
man, I guess.

GUILLERMO
Derek wait. While I think you are
very good intentioned, vampire
hunting isn't for you.

DEREK
Yeah, maybe it's time to hang up my
coat.

Derek stares intensely into the distance as SNOW STARTS TO FALL. Guillermo is confused by this response.

GUILLERMO
Ok, I'll see you.

Guillermo walks into the Mansion.

EXT. LITTLE MOSCOW - NIGHT

SUPER: LITTLE MOSCOW - LONG ISLAND

The fake cul-de-sac of Little Moscow, complete with mini St. Basil's Cathedral, covered in snow.

EXT. CITY STREETS - NIGHT

We see the snow covered, empty streets of Little Moscow. A couple, RUSSIAN MAN and RUSSIAN WOMAN, walk underneath a long archway along the path.

RUSSIAN WOMAN
(In Russian; subtitled)
It's cold. Where are we going?

RUSSIAN MAN
(In Russian; subtitled)
It's a surprise.

RUSSIAN WOMAN
Surprise? I like surprises.

RUSSIAN MAN
Then you'll like this.

He gently caresses her face for a moment, then suddenly grabs her by the neck and slams her into a pillar, revealing his fangs. The woman fights to break free from his grip.

DEREK (O.S.)
Hey.

The Russian man looks up in anger. Derek is standing a few feet away, in his vampire hunting gear, looking down at a translator on his phone.

DEREK (CONT'D)
(In Russian; subtitled)
Caught you doing it bad anytime?

The Russian Man lunges at Derek. Derek whips out his sword,
but fumbles it as we

CUT TO BLACK
