

Foundation problems can be dangerous and expensive.
Discover Fredericksburg's first choice in foundation repair

Along the Rappahannock River, from new construction to historic areas dating back to the Civil War and Revolutionary times, homes are threatened by foundation damage. Tiny cracks in the walls or flooring might be cosmetic, or they may be signs of larger problems. Water can do a tremendous amount of damage, bowing in walls, bubbling up from beneath the home. Damage to the foundation can affect most people's greatest financial investment – their home.

Don't wait for a problem to get worse. Foundation damage can greatly affect resale values, even negating a home sale altogether.

Our team of trained consultants recognize foundation issues and can quickly propose a solution to save your home and in some cases, restore lost resale value. In just a short time, we can repair foundation issues and prevent future occurrences. And you are fully backed by our time-tested pledge - our B-Dry warranty, the best warranty in the business.

Just give us a call, or complete the information form here [<link>](#) We'll schedule a FREE no obligation consultation at your home. Let our trained consultants tell you what B-Dry can do for you. Contact us today:
