

Fredericksburg, put an end to the wet basement heartache!

Water in the basement is a common headache for Virginia residents. Water can damage living spaces and possessions held in storage. Moisture also has long-term implications, including damage to fine wood furniture, musty upholstery, and bacteria including mold and mildew.

Homeowners in Fredericksburg, Orange, Louisa, King George and more are taking back their basements! They are rescuing their families from the moisture and potential health effects by implement a proven solution from B-Dry Waterproofing.

Our consultants can recognize water problems and quickly determine a solution. In just a short time, homeowners like you have gotten needed living space back. And they've increased the value of their home, an important factor at resale time.

You are protected by our industry-leading BDry warranty – we stand behind the repairs done to your home. Just as we have for millions of homeowners since 1948.

Just give us a call, or complete the information form here <link> We'll schedule a FREE no obligation consultation at your home. Let our trained consultants tell you what B-Dry can do for you. Contact us today:
