From Our Kitchen to Yours

When you shop in our stores, you'll find products from all kinds of brands — including quite a few we make ourselves. Here's how it happens:

Research

Our culinary innovation team studies trends to learn what customers need.

Development

The team develops products to make customers' lives easier (and tastier).

Launch

Each year, approximately

775

new products launch (including the items seen here).

Look for the "NEW Just Spotted" badge in our magazine and on our website to find some new favorites.

Tasty New Finds That Are Simply Delicious

Creamy Goodness

This tangy, Japanese-style sauce pairs deliciously with steak, vegetables, seafood, french fries — and the list goes on. It's a flavorful mix of mayo, tomato puree and seasonings.

Quick Bites

Vegan and gluten free? Check and check. These chewy nut butter bites are packed full of apples, walnuts, dates and cinnamon. Plus, they're bite-size, so you can pop them in your mouth anytime, anywhere.

Spring Sips

Now in an 18-bottle variety pack, Sparkling Ice® is a zero sugar sparkling water with real fruit flavor that's packed with vitamins and antioxidants. Each 5-calorie drink — available in Lemon Lime, Black Cherry and Strawberry Watermelon — is perfect for taking on the go. And with the larger pack size, entertaining a crowd is even easier.
