Spread the word!

This week, we welcomed a new partner to Golden Sage Market.

LASTO foods

These silky smooth just-the-nuts nut butters are unsalted, oil-free, and contain no artificial ingredients. Plus, they're packaged in recycled plastic squeezable bottles. So, there's no need to stir. Just shake, squeeze, and savor.

We're nuts for...

Natural Almond Butter

Cinnamon Almond Butter

This minimally processed nut butter is as close as it gets to an almond's natural state. There's no sugar, no salt, and no oil – just 100% almonds.

Lasto Foods signature creamy almond butter – now with cinnamon. Lightly sweetened with coconut sugar and simply delicious.
