

3 Reasons Why the 2021 Ford Ranger Is the Perfect Vehicle

Ford Rangers have been beloved for ages. We all have either driven or known someone to have a Ranger. This is why you should join the long-lasting Ranger movement, with the 2021 Ford Ranger.

Reasons Why It Is Right for You

1. The Price

Prices originally ranged from around \$26,000 to \$38,000, depending on the style of choosing. From lowest to highest price point, there is the XL, the XLT, and the Lariat. Prices now can be found from \$20,000 to \$30,000, making this Ranger even more affordable today.

2. The Trims

The 2021 Ford Ranger offers multiple trims, depending on your vehicle needs and wants. The XL extended cab is less bulky and quicker, for those with a need for speed. The XLT and Lariat are heavier and more equipped for off road terrain, well suited to you adventurers.

There are also two body styles available. The SuperCab has two-doors and a 6-foot bed compared to the four-door SuperCrew which has a 5-foot bed. Both cabins fit occupants comfortably, which is desired no matter how long the trip is.

3. The Features

The 2021 Ford Ranger is easy to handle, has towing and hauling capabilities, projects low ownership costs, and it provides great gas mileage. They are powered by a 2.3-liter, producing 270 horsepower and 310 lb-ft torque. The 10-speed automatic allows for easy shifting and smooth rides for you and your loved ones.

Rangers Never Go out of Style

Why is it that these trucks have withstood the test of time? Simply put, they are affordable, reliable, and trusted to be passed down through generations. If you are looking for an all-around vehicle, the 2021 Ford Ranger is for you.
