

SUBJECT: Welcome to MAP!

**Hello friend, welcome to the Massachusetts Avenue Project Community (MAP)!**

By signing up for our newsletter, you're joining a local movement dedicated to growing a diverse, accessible, and equitable food system. Thank you for joining us on our mission!

In our newsletters, you'll learn about food justice issues affecting our community, how young people are becoming empowered with economic opportunities, and how you can take an active role in growing a food system that supports all of us.

You'll get our newsletter to your inbox once every few months with everything you need to know about exciting projects at MAP and the meaningful impact we're making with your support.

In the next email, I'll share more about how we got our start and our approach to building a resilient food system that works for everybody. Until then, you can keep in touch with us by replying to this email.

Plus, you can join us at one of our [volunteer events](#) this year, learn new recipes at a [kitchen class](#), or [rent our space](#) at the farmhouse.

Thanks for joining us,

*Diane Picard*
