

6-bedroom Country Home and Wide, Open Spaces

This sunny, 3,619-square-foot country home with 6 Bedrooms and 5 Bathrooms is ideal for both family and entertaining. Lovingly built by the owners on 35 scenic acres set for farming, ranching, gardening and play, this home is perfect for your quiet, country lifestyle. From the Open Floor Plan and country-style Eat-in Kitchen to spacious bedrooms with large Loft Areas and En Suite bathrooms in 3 of the 4 upstairs bedrooms, this large and cozy homes includes 2 wood-burning stoves, double-pane windows, Master suite with walk-in closet, Vaulted Ceilings, plenty of storage with Elfa shelving throughout, a wheelchair-accessible main floor Bedroom/Office and bathroom and a 1,358-square-foot finished basement with hookups for a full kitchen.

The 35-acre property includes expansive horizons for stunning Sunrise and Sunset Views, Mature Trees for shade and privacy, Playground, Sprinkler System and 3-rail vinyl fencing. A three-story Barn, Corral and pastures are ideal for raising horses and livestock, and the property holds an Agricultural tax status. Other delights include a large fenced garden, sledding hill and dog run. Just a 30-minute drive away from DIA and the Denver metro area, this is peaceful, country living at its best.

Enter from the large composite-material front porch to the light, cheerful farmhouse. Pass the main-floor Bedroom/Study to the sunny, open Family Room with Wood-burn-ing Stove, built-in shelving for books and media, Vaulted Ceilings and plenty of win-dows.

The large country-style, Eat-in Kitchen includes an oversized center island and adja-cent 12' x 13' eating area so there's plenty of room for 10-plus people to eat and con-vene. Kitchen comes complete with a gas range, large pantry, Alder wood cabinets, convection oven, double oven, self-cleaning oven and bright hardwood floors. Walk through sliding doors to the 400-square-foot composite deck where you'll enjoy sweeping vistas and brilliant sunsets. Just off the kitchen is the the Mud Room with utility sink, and there's a separate Formal Dining or Living Room.

Head upstairs to find the Master Suite, three spacious Bedrooms with Loft Areas and a convenient, second-floor Laundry Room with Elfa shelving. Each of the 3 secondary bedrooms upstairs has angled ceilings, Dormer Windows and plenty of room for sleep-ing. 3 of the 4 upstairs bedrooms have En Suite Bathrooms, and there's plenty of stor-age space throughout the second floor.

The 1,008 square-foot finished Walk-out Basement includes a sunny bedroom, walk-in closet and cozy basement family room with wood stove. Wired for a full kitchen, there's plenty of room for creating a mother-in law suite.
