

New Internal Medicine Physician Joins SMH's First Physicians Group

SARASOTA, Fla. – (Dec. 17, 2018) – Sarasota Memorial Health Care System recently welcomed Stephanie Cabello, MD, into its First Physicians Group (FPG) network and community.

Dr. Cabello joined FPG's Internal Medicine practice with Drs. Sherri Sanders and Brunel Gomez de Tavaréz on Dec. 17. Previously, she practiced for seven years at the Geisinger Wyoming Valley Medical Center in Wilkes Barre, Penn., where she served as the director of the outpatient Internal Medicine Department. Dr. Cabello also worked as a clinical associate professor at the Geisinger Commonwealth School of Medicine in Scranton, Penn. She provided inpatient and outpatient care at Keystone Internal Medicine in Chambersburg, Penn., from 2007 to 2011.

Dr. Cabello is board certified in Internal Medicine by the American Board of Internal Medicine and a Fellow of the American College of Physicians. She earned her medical degree at the University of Santo Tomas in Manila, Philippines, in 2001, and completed a medical internship at the Veterans Memorial Medical Center in Manila. She completed her residency training in Internal Medicine at Rochester General Hospital in Rochester, New York, in 2007. Among other honors, she was recognized as a top patient experience clinician by Press Ganey in 2013, 2014, 2016, 2017 and 2018.

Fluent in English and Filipino, Dr. Cabello offers a full spectrum of care for patients at the FPG Internal Medicine practice in the Waldemere Medical Plaza, 1921 Waldemere Street, Suite 512, Sarasota. For information or appointments, call (941) 917-3500.

About Sarasota Memorial's First Physicians Group (firstphysiciansgroup.com)

As part of Sarasota Memorial's First Physicians Group, Dr. Cabello joins a network of nearly 200 primary and specialty care physicians and advanced care practitioners employed by Sarasota Memorial Health Care System to help fill the gaps caused by a shortage of physicians in the region. Specialties include: Bariatric Surgery; Cardiovascular/Thoracic, Orthopedic Trauma and General Surgery; Internal Medicine and Family Practice; Pediatrics; Obstetrics/Gynecology; Perinatology (Maternal-Fetal Medicine); Gynecological Oncology; Gastrointestinal Oncology; Dermatology; Endocrinology; Neurology; Palliative Care; Pain Management; and Psychiatry. ###
