

**SPEAK UP, SPEAK OUT AND BE HEARD: MUSIC EVOLVED RECORDS  
LAUNCHES THE EBONIZED CHILL TOUR - A MULTI-CITY U.S. TOUR  
ADVOCATING FOR MENTAL HEALTH AWARENESS**

**SEPTEMBER 2022 - Chicago, IL.** Chicago-based songstress and [Music Evolved Records](#) Founder and CEO [The Ebonizer](#) and label artist [The Lyrical Assassin](#) are headlining [The Ebonized Chill Tour](#), a multi-city U.S. tour advocating for mental health awareness through speech, music and comedy. Sponsored by [ATW Health Solutions](#) and promoted by [Soundrock Events & Promo](#), the tour kicks off on September 17 and features guest performers **Starr Baby** and **DJ Spazzout**. Tickets are on sale now at [ebonizedchill.online](#).

"We're dedicating this tour to people battling mental health illnesses," states The Ebonizer. "We want them to overcome their past trauma by seeking help from professionals who can put them on the path to healing and shifting their mindsets." The Ebonizer is a suicide survivor and The Lyrical Assassin has overcome post-traumatic stress disorder and childhood abuse. The mission of Music Evolved Records is to combat mental illness through entertainment.

Tour dates in **Memphis, Tennessee, Atlanta, Georgia, Tampa, Florida and Houston, Texas** are three-day events where talent will join The Ebonizer and The Lyrical Assassin to share personal stories of healing from mental health illnesses. The record label will also donate a percentage of the ticket sales to a non-profit mental health organization in each city. More details about these and the remaining tour dates are available online at [ebonizedchill.online/#tourdates](#).

Music Evolved Records is partnering with the [Depression and Bipolar Support Alliance](#) (DBSA) to provide attendees with mental health resources. DBSA will also mention tour information on its podcast and share messages of hope with audiences in each city. Other activities and additional resources are Mood Crew, Mood Tracker, Wellness Wheel Activities and information about the National Black Support Group.
