

Aftercare Instructions for Eyelash Patients

Ensure that you are maintaining and giving your eyelashes the proper retention and natural health they need after you receive your treatment!

- **Keep all oil-based products away from your eyelashes.**

Facial products travel, meaning even if they are not directly on your eyes, oil can break down the adhesive, causing your eyelash extensions to wear down faster.

- **Clean eyelashes with witch hazel and wand, provided after service, when washing off your makeup.**

Without proper cleansing, excessive product build-up will occur, blocking the natural lash follicle and causing loss of the natural eyelashes. DO NOT USE COTTON ON YOUR EYELASH EXTENSIONS WHEN CLEANSING.

- **Consider adding biotin to your facial routine.**

Will help assure natural lash strength for your eyelash extensions.

- **Brush your lashes daily to prevent clumping.**
- **Avoid excessive heat and steam.**
- **Avoid foreign fill-ins.**

*Please avoid receiving fill-ins from another eyelash service other than us!
This is to help us stay knowledgeable on the lashes, products, and
maintenance of your enhancement, which is crucial for us!*

- **Book a fill-in appointment every 2-3 weeks.**

*Recommended frequency to help maintain your eyelash extensions.
If half of the lashes are no longer present, a full set will be
mandatory if you wish to maintain them.*

No longer want to maintain your extensions? No Problem!

Please contact me for proper removal!

Love,

Your eyelash technician, Lindsey M.

Rules and Regulations

at Esthetics by Lindsey M.

- No guests, children, or visitors are allowed during appointments. This is to ensure my full attention and responsibility are on you as my client.
- We have the right to upcharge for any additional materials or time consumed without consent.
- We have the right to charge for appointments if a client is 15 minutes, or longer, late to their appointment. We also have the right to cancel clients who violate repetitively.
- All prices are firm and reflect the cost of material and time per appointment. This is excused if and only if there is a special discount!
- See additional rules and regulations on your agreement form given to you prior to your appointment.

Thank you for your service and understanding!
