## INTERNSHIP EXPERIENCE

### AZAD FOUNDATION

March 2025- April 2025

I assisted Azad Foundation with their annual program review through data extraction, visualization, and analysis. Responsibilities included compiling structured datasets for programs like Feminist Leadership and Women with Wheels, creating clear visualizations to highlight trends, conducting cross-indicator analysis for actionable insights, and developing a well-organized backend for future reference.

### INDIAN EXPRESS

June 2023- July 2023

I researched and contributed to articles addressing price hikes and their societal impacts. I also assisted in cultural beat stories and weekend compilations, emphasizing regional dynamics.

### INDIA SPEND - (DATA JOURNALISM INTERN)

October 2022- December 2022

I assisted in [data visualization](#) and storytelling on issues such as education, healthcare, and pandemic data gaps. I also supported articles with policy insights and evidence-based analysis.

### RESEARCH ASSISTANT TO MS RUKMINI S

August 2021- December 2021

I assisted research on COVID-19 data gaps and vaccination policies, and in drafting articles on systemic governance issues for IndiaSpend and LiveMint.
