Sdavidprince.space

2016 - Till-Now

True Global Ventures

Graphic Designer/ Computer Operator

2018 - 2019

Sledgehive

Freelance Graphics Designer

2019 - 2021

Collaborated closely with clients, comprehending design requirements and delivering creative concepts that aligned with their needs. Developed visually captivating graphics such as logos, banners, brochures, and social media posts.

Utilized Adobe Creative Suite and Canva to design and refine graphics, meeting client specifications.

Maintained open lines of communication with clients throughout the design process, actively incorporating feedback for customer satisfaction. Successfully managed multiple projects simultaneously, skillfully prioritizing tasks to meet deadlines.
