Hi there,

G2's Summer 2023 reports are out and yet again, Sense has emerged as a top performer across an impressive **143 reports**, securing **23 Leader badges!**

We have topped the charts in several categories, including **Enterprise Staffing, Recruiting Automation, Candidate Relationship Management, Chatbots, and Interview Scheduling.**

But don't just take our word for it. Our success is backed by over [500 genuine reviews](#) from users who have experienced the transformative power of Sense firsthand.

These reviews serve as a testament to the tangible value our Talent Engagement Platform brings to staffing companies.

From two-way texting for recruiters to NPS; from recruitment marketing to candidate engagement and a recruiting chatbot; Sense is the only all-in-one solution built for staffing.
