

Mothers of

Inventions

Genre: Docuseries

Tagline: Her idea. Her patent. Our gain.

Logline: Necessity isn't the only mother of invention. Curiosity, creativity, and courage birthed the brilliance of these overlooked, ingenious women.

Surprisingly, some of the greatest inventors in history were women. Despite myriad obstacles, these women pioneered, persevered, and eventually profited from their talents.

Their inventions have improved our lives in countless ways.

These fearless females charted their own courses, conquered challenges, and confidently followed their instincts to become...Mothers of Inventions!
