FADE IN:

INT. SEWER - NIGHT

THIEF 1 and THIEF 2 are hiding in the sewer. They are tired and gasping.

THIEF 1 (GASPING)  
Do you think they're gonna find us here?

THIEF 2 (GASPING)  
I don't know. I think we've barely made it. And I think it's all your fault!

They start to fight and yell at each other.

THIEF 1 (YELLING)  
My fault? You're the one who had the brilliant idea of robbing a belt store. A belt store!

THIEF 2  
Hey, they have nice and expensive belts there. We need to stop looking like petty thieves and dress sharp.

THIEF 1  
Dress sharp? We almost got caught because you wanted to dress fancier? Do you even realize we only made it out because the guard shot at his own reflection? You know what? I'm starting to think you're not bad enough to be a criminal.

THIEF 2  
What? Of course I'm bad enough! Everything I do is bad. Do you see this jacket? I took it from a store accused of engaging in child labor, and I didn't even care! You're the one who's not bad enough.

THIEF 1  
Oh, yeah? Look at my phone. My camera roll has only screenshots because I just make fun of people.

THIEF 2

Well, look at mine. I only take  
selfies in the bathroom!

THIEF 1

That's nothing! I take 45-minute  
showers when there's a drought.

THIEF 2

I tag people in ugly pictures!

THIEF 1

I wear a cell phone holster.

THIEF 2

I wear sunglasses indoors.

THIEF 1

I always put the ice tray back in  
the fridge with only one block of  
ice in it.

THIEF 2

I grunt when I lift weights at the  
gym.

THIEF 1

I'm a master of silent farts.

THIEF 2

I begin sentences with: "Well,  
actually..."

THIEF 1 (THINKING)

And I... I complain about being  
stuck in the friend zone.

THIEF 2 (PROUDLY)

You know what else I do? I post  
spoilers in comment sections.

Thief 1 looks shocked and disappointed.

THIEF 1 (SAD)

That's... Wow. I mean, that's truly  
evil. I take back what I said. In  
fact, I don't think I can trust you  
anymore.

FADE TO BLACK.
