

Course: **Building Oral Language Skills in Young Children**

For Teachers and Caregivers

Link: **www.lovejoylearn.com**

This course session guides caregivers in how to introduce oral language lessons, develop critical thinking skills, and model optimal learning experiences when introducing books to young children. This session is designed for caregivers and teachers and includes specific learning aids that support early literacy. The course includes a copy of the children's picture book, *Car Wash*, written by Dr. Deidre Brooks and illustrated by Alma Quiroz Lloyd for each participant. *Car Wash* is a children's picture book for ages 0 to 3, which invites children to enjoy a day spent helping Dad wash the family car.
