██████████ Upgrades Operating Room Capability For ██████████ Medical Center Robotics Program

Winchester, Virginia – September 8, 2023 – ██████████, a reputable Virginia-based construction company provided ██████████ Medical Center with the opportunity for a significant milestone in surgical technology advancement. ██████████ recently completed the expansion of The Winchester Medical operating room which allowed the hospital to integrate two state-of-the-art Da Vinci Xi surgical robots!

In a statement shared on their Facebook page, ██████████ Medical center expressed their enthusiasm for this milestone. “These new additions signify the growth of the robotics program over the years, and the evolution of minimally invasive surgical care at Valley Health. Da Vinci Xi robots allow surgeons across several specialties to operate with greater range of motion and precision, and to see a more magnified surgical site. Patients experience smaller incisions, less pain, and a shorter recovery time. With the acquisition of these two da Vinci Xi surgical robots, Winchester Medical Center now boasts a total of five of the groundbreaking machines.

FOR IMMEDIATE RELEASE

██████████ Honored with Prestigious STEP Diamond Award for the Second Consecutive Year

[Virginia] - ██████████, renowned Virginia commercial construction company, is proud to announce that it has received the esteemed STEP Diamond Award for the second consecutive year. This recognition underscores the company's enduring commitment to safety, excellence, and dedication.

Established in 1961, ██████████ has consistently set the standard for excellence in the construction sector. The company specializes in delivering exceptional results through its concise approach where understanding clients' goals and maintaining a relentless focus on award-winning quality are top priority.

“██████████ fosters a collaborative, teamwork-driven approach, supporting not only client success but also employee growth. Our team members engage our design partners, subcontractors, and vendors early on, to strengthen our partnerships and proactively add value to our projects. ██████████ works hard to maintain trust-based relationships with our clients, partners, vendors, subcontractors, and employees,” states ██████████.com “About Us” page.

This dedication has led to yet another recognition of excellence for ██████████. The prestigious STEP Diamond Award is presented by the ██████████. The ██████████ is a national construction industry trade association that represents over 22,000 members. The award recognizes companies that have excelled in safety performance by participating in ██████████

The ██████████ program, founded in 1989, serves as a benchmarking and improvement tool for safety practices in the construction industry. Participants, regardless of company size or type of work, measure their safety processes and policies on 25 key components through a comprehensive questionnaire. The ultimate goal is to implement or enhance safety programs that reduce jobsite incidents.

Alongside the STEP Diamond Award, ██████████ Construction Inc. has garnered 47 acknowledgments from the ██████████. Notably, ██████████ for their exceptional

renovation work at The Fourth Presbyterian Church and The Montebello Community Center, recognizing them as prime examples of excellence in construction.

The Excellence in Construction awards celebration is scheduled to take place on [REDACTED], at The Ritz Carlton in [REDACTED]. The distinguished event brings together industry leaders, architects, owners/developers, project teams, and subcontractors for an unforgettable evening of celebration and recognition.

[REDACTED]'s continued recognition with the STEP Diamond Award reflects its ongoing commitment to maintaining the highest safety standards and fostering a culture of excellence within the construction industry.
