Ralph Breaks The Internet: Wreck It Ralph 2

Improvisational Questions/Prompts

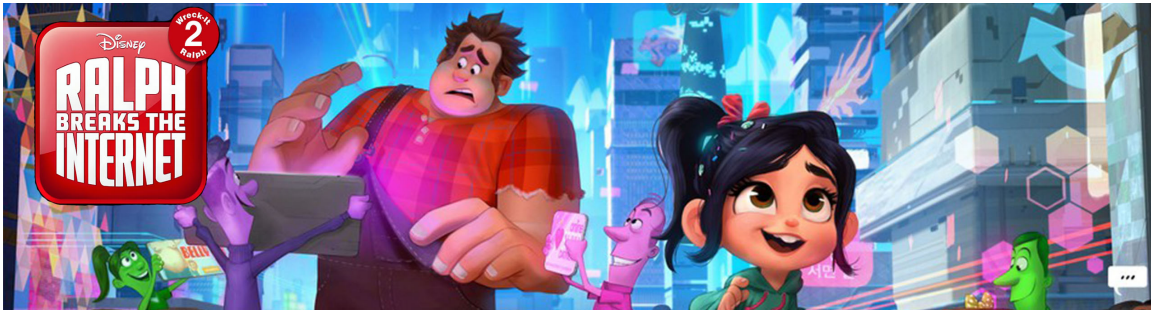

1. There's been some debate over whether the movie should've been titled "Ralph Wrecks The Internet" or "Ralph Breaks The Internet". Can you come up with a better title?
2. If the Internet were a physical object, what would be the best way to break it and why?
3. What's the closest you've come to "breaking the internet"?
4. What is your first memory of the Internet?
5. Tell us some ways that the world was more inconvenient before the Internet was invented.
6. Do your best impression of a dial-up tone.
7. What are some techy things that are considered "upgrades", but you actually think are downgrades from their predecessors? *Example: automatic soap dispensers.*
8. If you were trying to ask the Internet out on a date, what would your pick up line be?
9. Try to explain the Internet as if you're talking to someone who doesn't know what it is.
10. In what ways are you addicted to some form of the Internet (GPS, social media, etc.)?
11. What was your screen name as a kid and why?
12. What kinds of click bait stories always capture your interest without fail?
13. Are your parents awkward on social media? If so, how? Spill the details!
14. Do you remember the first app you ever downloaded? What was it and why did you download it?
15. What is the dumbest/silliest game you've ever been addicted to and how long did you play it?
16. Have you ever downloaded a "pay to play" game? Can you admit how much money you spent on it?
17. How did you personalize your MySpace page?
18. If Mark Zuckerberg and Tom Anderson (MySpace) got into a fight, who would win? *Alt: Mark Zuckerberg and Bill Gates*
19. If you lived in the Internet, which website would you call home and why?
20. If your personality were a Snap Chat/Facebook filter, what would it be?
21. What is your favorite Snap Chat filter and why?
22. What is a hash tag that encompasses your life?

23. What hash tag best describes your character?
24. What hash tag would you assign to each Disney princess?
25. What do you think the future holds for the potential of the Internet?
26. Have you ever trolled/battled someone on the Internet? What was the argument about and did you win the battle?
27. If you were a Disney princess, what tricky predicament would you be in and how would you rescue yourself?
28. Act like the “Search Bar” in the film and try to predict a word (the producer will only pronounce the first syllable). *Note: we can use lower thirds to indicate the word in the featurette.*
 - a. Lullaby
 - b. Hocus Pocus
 - c. Storm Trooper
29. Act like you’re someone from the 1800s that’s just stumbled upon a smart phone and describe what you think you’re seeing.
30. What is the background on your smart phone and why?
31. In your opinion, what’s a website that’s “super intense and really nuts”?
32. What was the most recent thing you found on the Internet that made you laugh out loud?
33. What video on the Internet always makes you laugh no matter how many times you’ve seen it?

“No Way I’m Answering That” Questions/Prompts

1. FaceTime someone right now while acting in character! Don’t explain why.
2. What weird online purchase do you fully regret?
3. If we were to check your Internet searches right now, what would we find?
4. Pull out your phone and tell us what your five most recent Internet searches are. Tell us why you searched for those things. *Note: supposed to be random, funny, and give us insight on the casts’ most recent activities.*
5. What’s the most embarrassing comment your Mom/Dad posted to one of your social media accounts?
6. If your Twitter account was an actual bird, what would its song/chirp/crow sound like and why?
7. Show us the last three photos you took on your smart phone.
8. Read the last email you received aloud.
9. Have you ever had a virus on your computer? Where do you think it came from?
10. Read aloud the last comment you left on any social media platform.

11. Did you ever get in trouble as a kid for using the Internet? What did you get in trouble for? *Note: Keep it PG!*
12. Have you ever bothered an IT guy to fix something on your computer that ended up being something you totally could've fixed yourself?
